

(8) Lien subordinations for certain rural development investments, as provided in § 1717.858.

(b) *Purposes ineligible.* The following financing purposes are not eligible for a lien accommodation or subordination from RUS:

(1) Working capital, including operating funds, unless in the judgment of RUS the working capital is required to ensure the repayment of RUS loans and/or other loans secured under the mortgage;

(2) Facilities, equipment, appliances, or wiring located inside the premises of the consumer, except:

(i) Certain load-management equipment (see 7 CFR 1710.251(c));
(ii) Renewable energy systems and RUS-approved programs of demand side management and energy conservation; and

(iii) As determined by RUS on a case by case basis, facilities included as part of certain cogeneration projects to furnish electric and/or steam power to end-user customers of the borrower;

(3) Investments in a lender required of the borrower as a condition for obtaining financing; and

(4) Debt incurred by a distribution or power supply borrower to finance facilities, equipment or other assets that are not part of the borrower's electric system or one of the four community infrastructure systems cited in paragraph (a)(3) of this section, except for certain rural development investments eligible for a lien subordination under § 1717.858.

13. Section 1717.854 is amended by revising the section heading and paragraphs (a), (b), (c)(1) and (c)(2), removing paragraph (c)(7), redesignating paragraphs (c)(3) through (c)(6) as paragraphs (c)(4) through (c)(7), adding a new paragraph (c)(3), adding "and" at the end of newly designated paragraph (c)(6)(vi), and removing "and" at the end of newly designated paragraph (c)(7) and adding a period in its place to read as follows:

§ 1717.854 Advance approval—100 percent private financing of distribution, subtransmission and headquarters facilities, and certain other community infrastructure.

(a) *Policy.* Requests for a lien accommodation or subordination from distribution borrowers for 100 percent private financing of distribution, subtransmission and headquarters facilities, and for community infrastructure listed in § 1717.852(a)(3), qualify for advance approval by RUS if they meet the conditions of this section and all other applicable provisions of

this subpart. Advance approval means RUS will approve these requests once RUS is satisfied that the conditions of this section and all other applicable provisions of this subpart have been met.

(b) *Eligible purposes.* Lien accommodations or subordinations for the financing of distribution, subtransmission, and headquarters facilities and community infrastructure listed in § 1717.852(a)(3) are eligible for advance approval, except those that involve the purchase of existing facilities and associated service territory.

(c) * * *

(1) The borrower has achieved a TIER of at least 1.5 and a DSC of at least 1.25 for each of 2 calendar years immediately preceding, or any 2 consecutive 12 month periods ending within 180 days immediately preceding, the issuance of the debt;

(2) The ratio of the borrower's equity, less deferred expenses, to total assets, less deferred expenses, is not less than 27 percent, after adding the principal amount of the proposed loan to the total assets of the borrower;

(3) The borrower's net utility plant as a ratio to its total outstanding long-term debt is not less than 1.0, after adding the principal amount of the proposed loan to the existing outstanding long-term debt of the borrower;

Appendix A to Subpart C of Part 1718—Model Form of Loan Contract for Electric Distribution Borrowers

Subpart C—Loan Contracts With Distribution Borrowers

§ 1718.100 General.

(a) *Purpose.* The purpose of this subpart is to set forth the policies, requirements, and procedures governing loan contracts entered into between the Rural Utilities Service (RUS) and distribution borrowers or, in some cases, other electric borrowers.

(b) *Flexibility for individual circumstances.* The intent of this subpart is to provide the flexibility to address the different needs and different credit risks of individual borrowers, and other special circumstances of individual lending situations. The model loan contract contained in Appendix A of this subpart provides an example of what a loan contract with an "average" or "typical" distribution borrower may look like under "average" or "typical" circumstances. Depending on the credit risks and other circumstances of individual loans, RUS may execute loan contracts with
