The Administrator may extend the fund advance period on any loan if the borrower meets the requirements of paragraph (c) of this section. As defined in 7 CFR 1710.2, the loan period begins on the date shown on page 1 of RUS Form 740c submitted with the loan application.

(b) For loans approved on or after June 1, 1984, and before February 21, 1995, the fund advance period begins on the date of the loan contract, or the most recent amendment thereto, and terminates automatically 4 years from the date of the loan contract, or the most recent amendment thereto, except as provided in paragraph (c) of this section.

(c) The Administrator may agree to an extension of the fund advance period for loans approved on or after June 1, 1984, if the borrower demonstrates to the satisfaction of the Administrator that the loan funds continue to be needed for approved loan purposes (i.e., facilities included in an RUS-approved construction work plan).

(1) To apply for an extension, the borrower must send to RUS, at least 120 days before the automatic termination date, the following:

(i) A certified copy of a board resolution requesting an extension of the Government's obligation to advance loan funds;

(ii) Evidence that the unadvanced loan funds continue to be needed for approved loan purposes; and

(iii) Notice of the estimated date for completion of construction.

(2) In the case of financial hardship, as determined by the Administrator, RUS may agree to an extension of the fund advance period even though the borrower has failed to meet the 120-day requirement of paragraph (c)(1) of this section.

(3) If the Administrator approves a request for an extension, RUS will notify the borrower in writing of the extension and the terms and conditions thereof. An extension will be effective only if it is obtained in writing prior to the automatic termination date.

(d) Advances of funds from loans approved before June 1, 1984, are generally made during the first 6 years of the note.

(e) RUS will rescind the balance of any loan funds not advanced to a borrower as of the final date approved for advancing funds.

(1) 50 percent of the RUS insured loan funds;

(2) 100 percent of the supplemental loan funds;

(3) The remaining amount of the RUS insured loan funds.

(b) At the borrower's request and with RUS approval, all or part of the supplemental loan funds may be advanced before funds in paragraph (a)(1) of this section.

#### § 1714.58 Amortization of principal.

(a) For insured loans approved on or after February 21, 1995:

(1) Amortization of funds advanced during the first 2 years after the date of the note shall begin no later than 2 years from the date of the note. Except as set forth in paragraph (a)(2) of this section, amortization of funds advanced 2 years or more after the date of the note shall begin with the scheduled loan payment billed in the month following the month of the advance.

(2) For advances made 2 years or more after the date of the note, the Administrator may authorize deferral of amortization of principal for a period of up to 2 years from the date of the advance if the Administrator determines that failure to authorize such deferral would adversely affect either the Government's financial interest or the achievement of the purposes of the RE Act.

(b) For insured loans approved before February 21, 1995, amortization of principal shall begin 2 years after the date of the note for advances made during the first and second years of the loan, and 4 years after the date of the note for advances made during the third and fourth years.

### NUCLEAR REGULATORY COMMISSION

#### 10 CFR Part 32

RIN 3150–AF26

#### Requirement to Report Transfers of Devices to Generally Licensed Persons

AGENCY: Nuclear Regulatory Commission.

ACTION: Final rule.

**SUMMARY:** The Nuclear Regulatory Commission (NRC) is amending its regulations governing the reporting of transfers of devices to generally licensed persons. The amendments relieve initial distributors of the devices from their requirement to provide copies of the transfer reports to each appropriate NRC Regional Office. Because the reports are already sent to NRC Headquarters, it is not necessary for each Regional office to receive copies. These amendments would reduce the administrative burden on the initial distributors.
