Notice of the Intention To Extend an Existing Concession Contract—Scotty's Castle, Death Valley National Park

SUMMARY: Notice of given that the National Park Service intends to extend the concession contract at Scotty's Castle, Death Valley National Park for a period as long as three years so that necessary planning can be completed.

SUPPLEMENTARY INFORMATION: The concession contract at Scotty's Castle will expire on December 31, 1995, unless extended. The National Park Service will not renew this contract for an extended period until sufficient planning can be conducted to determine the future direction for concession services at the Scotty's Castle site. The necessary planning may affect the future of the concession. The planning process may take as long as two to three years to complete. Until that planning is completed, it will not be in the best interest of Death Valley National Park to enter into a long term concession contract for services at the Scotty's Castle site. For these reasons, it is the intention of the National Park Service to extend the current contract for a period of up to three years beginning January 1, 1996. The extension will be effective for a lesser period should planning issues be resolved and a renewal process be conducted and result in a selection. Benefits accruing to the Government under the current contract are currently under renegotiation.

Information about this notice can be sought from: Administrative Officer, Death Valley National Park, Attn: Ms. Marian O'Dea, Death Valley National Park, Death Valley, CA 92328, or call: (619) 786-2331.

Dated: July 11, 1995.

Stanley T. Albright,

Regional Director, Western Region.
