

years and year-to-date, expressed as a percentage of the pool's net asset value and indicating the month and year of the draw-down (the capsule must include a definition of "draw-down" that is consistent with § 4.10(k));

(G) The worst peak-to-valley draw-down during the most recent five calendar years and year-to-date, expressed as a percentage of the pool's net asset value and indicating the months and year of the draw-down; and

(H) Subject to § 4.25(a)(2) for the offered pool, the annual and year-to-date rate of return for the pool for the most recent five calendar years and year-to-date, computed on a compounded monthly basis;

(ii) *For accounts.* Disclosure of the past performance of an account required under this § 4.25 must include the following capsule performance information:

(A) The name of the commodity trading advisor or other person trading the account and the name of the trading program;

(B) The date on which the commodity trading advisor or other person trading the account began trading client accounts and the date when client funds began being traded pursuant to the trading program;

(C) The number of accounts directed by the commodity trading advisor or other person trading the account pursuant to the trading program specified, as of the date of the Disclosure Document;

(D)(1) The total assets under the management of the commodity trading advisor or other person trading the account, as of the date of the Disclosure Document; and

(2) The total assets traded pursuant to the trading program specified, as of the date of the Disclosure Document;

(E) The largest monthly draw-down for the trading program specified during the most recent five calendar years and year-to-date expressed as a percentage of client funds, and indicating the month and year of the draw-down;

(F) The worst peak-to-valley draw-down for the trading program specified during the most recent five calendar years and year-to-date, expressed as a percentage of net asset value and indicating the months and year of the draw-down; and

(G) The annual and year-to-date rate-of-return for the program specified, computed on a compounded monthly basis.

(2) *Additional requirements with respect to the offered pool.* (i) The performance of the offered pool must be identified as such and separately presented first;

(ii) The rate of return of the offered pool must be presented on a monthly basis for the period specified in § 4.25(a)(5), either in a numerical table or in a bar graph;

(iii) A bar graph used to present monthly rates of return for the offered pool:

(A) Must show percentage rate of return on the vertical axis and one-month increments on the horizontal axis;

(B) Must be scaled in such a way as to clearly show month-to-month differences in rates of return; and

(C) Must separately display numerical percentage annual rates of return for the period covered by the bar graph; and

(iv) The pool operator must make available upon request to prospective and existing participants all supporting data necessary to calculate monthly rates of return for the offered pool as specified in § 4.25(a)(7), for the period specified in § 4.25(a)(5).

(3) *Additional requirements with respect to pools other than the offered pool.* With respect to pools other than the offered pool for which past performance is required to be presented under this section:

(i) Performance data for pools of the same class as the offered pool must be presented following the performance of the offered pool, on a pool-by-pool basis.

(ii) Pools of a different class than the offered pool must be presented less prominently and, unless such presentation would be misleading, may be presented in composite form; *Provided, however,* that:

(A) The Disclosure Document must disclose how the composite was developed;

(B) Pools of different classes or pools with materially different rates of return may not be presented in the same composite.

(iii) For the purpose of § 4.25(a)(3)(ii), the following, without limitation, shall be considered pools of different classes: Pools privately offered pursuant to section 4(2) of the Securities Act of 1933, as amended (15 U.S.C. 77d(2)), or pursuant to Regulation D thereunder (17 CFR 230.501 *et seq.*), and public offerings; and principal-protected and non-principal-protected pools. Multi-advisor pools as defined in § 4.10(d)(2) will be presumed to have materially different rates of return from those of non-multi-advisor pools absent evidence sufficient to demonstrate otherwise.

(iv) Material differences among the pools for which past performance is disclosed, including, without limitation, differences in leverage and use of

different trading programs, must be described.

(4) *Additional requirements with respect to accounts.* (i) Unless such presentation would be misleading, past performance of accounts required to be presented under this section may be presented in composite form on a program-by-program basis using the format set forth in § 4.25(a)(1)(ii).

(ii) Accounts that differ materially with respect to rates of return may not be presented in the same composite.

(iii) The commodity pool operator must disclose all material differences among accounts included in a composite.

(5) *Time period for required performance.* All required performance information must be presented for the most recent five calendar years and year-to-date or for the life of the pool, account or trading program, if less than five years.

(6) *Trading programs.* If the offered pool will use any of the trading programs for which past performance is required to be presented, the Disclosure Document must so indicate.

(7) *Calculation of, and recordkeeping concerning, performance information.*

(i) All performance information presented in a Disclosure Document, including performance information contained in any capsule and performance information not specifically required by Commission rules, must be current as of a date not more than three months preceding the date of the Document, and must be supported by the following amounts, calculated on an accrual basis of accounting in accordance with generally accepted accounting principles, as specified below or by a method otherwise approved by the Commission.

(A) The beginning net asset value for the period, which shall be the same as the previous period's ending net asset value;

(B) All additions, whether voluntary or involuntary, during the period;

(C) All withdrawals and redemptions, whether voluntary or involuntary, during the period;

(D) The net performance for the period, which shall represent the change in the net asset value net of additions, withdrawals, and redemptions;

(E) The ending net asset value for the period, which shall represent the beginning net asset value plus or minus additions, withdrawals, redemptions and net performance;

(F) The rate of return for the period, which shall be calculated by dividing the net performance by the beginning
