## Food and Drug Administration

### Muscle Monitoring Devices; Decision Not to Rely on Dental Products Panel Recommendations

**AGENCY:** Food and Drug Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** The Food and Drug Administration (FDA) is announcing that it does not intend to rely on recommendations arising out of the October 13 and 14, 1994, meeting of the Dental Products Panel of the Medical Devices Advisory Committee concerning the classification of muscle monitoring devices. It is FDA's view that the October 1994 meeting was flawed and should not be the basis for decisions made about the use of these devices. FDA plans to fully and comprehensively consider the classification of muscle monitoring devices at a future meeting of the Dental Products Panel of the Medical Devices Advisory Committee.

**FOR FURTHER INFORMATION CONTACT:** Nancy J. Pluhowski, Center for Devices and Radiological Health (HFZ-400), Food and Drug Administration, 9200 Corporate Blvd., Rockville, MD 20850, 301-594-2022.

**SUPPLEMENTARY INFORMATION:** In the **Federal Register** of September 19, 1994 (59 FR 47880 at 47881), FDA announced that a meeting of the Dental Products Panel of the Medical Devices Advisory Committee would be held on October 13 and 14, 1994, to consider the classification of muscle monitoring devices. Because of substantive and procedural issues in connection with the October 1994 meeting, including the scope of products included and concerns that all interested parties may not have received adequate notice of the devices to be discussed at the meeting, FDA does not intend to rely on the

Panel's discussion or recommendations for the use or classification of these devices. In addition, it is FDA's view that the October 1994 meeting should not be the basis for decisions about the use of these devices. FDA plans a full and comprehensive consideration of muscle monitoring devices at a future meeting of the Dental Products Panel.

The Dental Products Panel of the Medical Devices Advisory Committee meeting tentatively scheduled for August 8, 9, and 10, 1995, which was announced in the **Federal Register** on March 9, 1995 (60 FR 12960 at 12962), will not include discussion of muscle monitoring devices. FDA will announce future meetings of the Dental Products Panel of the Medical Devices Advisory Committee in the **Federal Register** at least 15 days in advance of the upcoming meetings.

Dated: July 21, 1995.
