

Massachusetts Electric Company (WMECO), Holyoke Water Power Company (HWP), Holyoke Power and Electric Company and Public Service Company of New Hampshire (together, the NU System Companies) a Tariff No. 1 Firm Transmission Service Agreement and a Distribution Service Agreement (Agreements) with Fitchburg Gas and Electric Light Company (Fitchburg). The Agreements provide for delivery of Fitchburg's purchase of the output of the Harris Energy and Realty Corporation's hydro facility across the HWP distribution system and the NU System Companies' transmission facilities and will supersede service now provided to Fitchburg under FERC Rate Schedule Nos. CL&P-274, WMECO-208, and HWP-33.

NUSCO requests that the Agreements be permitted to become effective January 1, 1995. NUSCO states that a copy of the filing has been mailed or delivered to the affected parties.

Comment date: January 24, 1995, in accordance with Standard Paragraph E at the end of this notice.

17. PECO Energy Company

[Docket No. ER95-358-000]

Take notice that on December 29, 1994, PECO Energy Company (PECO), tendered for filing an Agreement between PECO and Dayton Power & Light Company (DPL), dated December 21, 1994.

PECO states that the Agreement sets forth the terms and conditions for the sale of system energy which it expects to have available for sale from time to time and the purchase of which will be economically advantageous to DPL. In order to optimize the economic advantage to both PECO and DPL, PECO requests that the Commission waive its customary notice period and permit the agreement to become effective on January 1, 1995.

PECO states that a copy of this filing has been sent to DPL and will be furnished to the Pennsylvania Public Utility Commission.

Comment date: January 24, 1995, in accordance with Standard Paragraph E at the end of this notice.

18. PECO Energy Company

[Docket No. ER95-360-000]

Take notice that on December 30, 1994, PECO Energy Company (PECO), tendered for filing an Agreement between PECO and Long Island Lighting company (LILCO) dated December 9, 1994.

PECO states that the Agreement sets forth the terms and conditions for the sale of system energy which it expects

to have available for sale from time to time and the purchase of which will be economically advantageous to LILCO. The Agreement supersedes an agreement between PECO and LILCO dated December 22, 1992, which is on file with the Commission as PECO's Rate Schedule FERC No. 65. In order to optimize the economic advantage to both PECO and LILCO, PECO requests that the Commission waive its customary notice period and permit the agreement to become effective on January 1, 1995.

PECO states that a copy of this filing has been sent to LILCO and will be furnished to the Pennsylvania Public Utility Commission.

Comment date: January 24, 1995, in accordance with Standard Paragraph E at the end of this notice.

20. Stand Energy Corporation

[Docket No. ER95-362-000]

Take notice that on December 30, 1994, Stand Energy Corporation (Stand Energy), tendered for filing pursuant to Rules 205 and 207 of the Commission's Rules of Practice and Procedure (18 CFR 385.205 and 385.207) an application seeking a disclaimer of jurisdiction over certain proposed electric power brokering transactions, the assertion of jurisdiction over certain marketing activities, subject to the outcome of other Commission proceedings, and the issuance of blanket approvals and waivers which would allow Stand Energy to engage in the proposed wholesale electric power transactions. If approved, Stand Energy's proposed Rate Schedule No. 1 would be effective from and after March 1, 1995.

Stand Energy intends to engage in electric power and energy transactions as either a broker or as a marketer. Stand Energy's power marketing activities will include purchases of capacity, energy, and/or transmission services from

electric utilities, qualifying facilities, and independent power producers. Stand Energy will resell such power to other purchasers on an arms-length basis and at mutually agreed upon rates. Stand Energy is not in the business of producing or transmitting electric power and does not have title to any electric power generation or transmission facilities.

Comment date: January 24, 1995, in accordance with Standard Paragraph E at the end of this notice.

21. Public Service Company of New Mexico

[Docket No. ER95-364-000]

Take notice that on December 30, 1994, Public Service Company of New Mexico (PNM), tendered for filing Modification Number 5 to the expiring Contract for Electric Service, Contract No. DE-AC04-85AL27436 (Electric Service Agreement), between PNM and the United States Department of Energy (DOE). Under Modification Number 5 to the Electric Service Agreement, PNM agrees to continue in effect those services presently provided to DOE and the Incorporated County of Los Alamos (County) pursuant to the Electric Service Agreement (PNM Rate Schedule FERC No. 61), which services would otherwise terminate on December 31, 1994. Such Modification Number 5 extends the Electric Service Agreement for a period of one year from the current termination date.

PNM requests a waiver of the Commission's notice requirements to permit Modification Number 5 to be effective for service on and after January 1, 1995.

Copies of the Notice have been mailed to the DOE, the County and the New Mexico Public Utility Commission.

Comment date: January 24, 1995, in accordance with Standard Paragraph E at the end of this notice.
