**DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**

[Docket No. FR-3849-N-03]

**Office of the Assistant Secretary for Public and Indian Housing; Fund Availability (NOFA) for Fiscal Year 1995 for Rental Voucher Program and Rental Certificate Program; Correction**

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice of Fund Availability (NOFA) for Fiscal Year (FY) 1994 for the Rental Voucher Program and Rental Certificate Program; Correction.

**SUMMARY:** The Department is publishing a correction to the Notice of Fund Availability (NOFA) published in the **Federal Register** on March 3, 1995 (60 FR 12036), for the Rental Voucher Program and Rental Certificate Program. The fair share allocation areas for the States of Maine, New Hampshire, and Vermont were erroneously combined into one Metropolitan allocation area and one Non-Metropolitan allocation area. Instead, using the principle that each allocation area is supposed to be the smallest possible area, the NOFA should have identified two allocation areas (Metropolitan and Non-Metropolitan) for each State.

**DATES AND ADDRESSES:** Applications have already been received for these revised allocation areas, in accordance with the original NOFA. Housing agencies do not need to submit any additional application materials.

**FOR FURTHER INFORMATION CONTACT:** Gerald J. Benoit, Director, Operations Branch, Rental Assistance Division, Office of Public and Indian Housing, Room 4220, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410-8000, telephone (202) 708-0477. Hearing- or speech-impaired individuals may call HUD's TDD number (202) 708-4594. (These telephone numbers are not toll-free.)

**SUPPLEMENTARY INFORMATION:** The Department discovered that when the original NOFA for the Rental Voucher Program and Rental Certificate Program was published, the allocation areas for the New Hampshire State Office had not been based on the principle of using the smallest possible area, which was used for determining the allocation areas for the other offices. Instead, the States of Maine, New Hampshire, and Vermont had been combined into one area. The total amount of funding for the program operation in those States remains the same, but this correction document
