Applicants' Representations

1. Hartford Life and Accident is a stock life insurance company licensed to do business in all states except New York and the District of Columbia.

2. HSD will register as a broker-dealer under the Securities Exchange Act of 1934 and will apply to become a member of the National Association of Securities Dealers, Inc. ("NASD").

3. Hartford Life and Accident and each of the Separate Accounts filed applications previously, and orders were issued granting the requested exemptions from Sections 26(a)(2)(C) and 27(c)(2) of the 1940 Act.¹ HESCO, the designated principal underwriter for the Contracts, was an applicant in the previous applications for exemptive relief from Sections 26(a)(2)(C) and

27(c)(2). This application seeks relief to permit Applicants to substitute HSD for HESCO as the designated principal underwriter for the Contracts, which would allow HESCO to continue as broker-dealer engaged in distribution functions with respect to HESCO's own registered representatives, and would permit HSD to serve as principal underwriter and distributor with respect to entering into sales agreements with independent broker-dealers.

4. Applicants reaffirm all facts, representations and undertakings contained in the applications for exemptive relief referenced in footnote 1 above, and incorporate those applications herein by reference. To the extent that there have been any material changes in those facts, representations or undertakings, the changes have been disclosed herein. Except for the replacement of the principal underwriter, there are no material changes in the Separate Accounts or the Contracts as described in the previous applications.

5. The contingent deferred sales charge, annual maintenance fee and annual asset charge for providing mortality and expense risk guarantees are fully described in the applications for exemptive relief which were previously granted.

6. Hartford Life and Accident will make a daily charge at the rate of 1.25% annually from each Contract held in the Separate Accounts for providing mortality and expense guarantees with respect to the Contracts, of which .90% of the charge is attributable to mortality risks and .35% of the charge is attributable to expense risks.

7. The mortality and expense risk charge will not be increased. If the charge is insufficient to cover the actual costs, Hartford Life and Accident will bear the loss. Conversely, if the charge proves more than sufficient to meet actual expenses, the excess will be surplus to Hartford Life and Accident and will be available for any proper corporate purpose. Hartford Life and Accident expects a reasonable profit from the mortality and expense risk charge.

Applicants' Legal Analysis and Representations

1. Applicants request an exemption from Sections 26(a)(2)(C) and 27(c)(2) of the 1940 Act to the extent necessary to permit the deduction of a mortality and expense risk charge from the Separate Accounts.

2. Sections 26(a)(2)(C) and 27(c)(2), in pertinent part, prohibit a registered unit investment trust and any depositor thereof or underwriter therefor from
