**Amended Final Determination of Sales at Less Than Fair Value and Antidumping Order: Gray Portland Cement and Clinker From Japan**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The appeal period for the court decision in *Nihon Cement Co., Ltd. et al. v. United States*, Slip Op. 95-53 has expired. Accordingly, given that the decision was not appealed, the Department is amending its final determination of sales at less than fair value and order in the antidumping duty investigation of Gray Portland Cement and Clinker from Japan (Cement from Japan) in accordance with that decision.

**EFFECTIVE DATE:** August 1, 1995.

**FOR FURTHER INFORMATION CONTACT:** Michelle Frederick or John Brinkmann, Office of Antidumping Investigations, International Trade Administration, U.S. Department of Commerce, Washington, D.C., 20230; telephone (202) 482-0186 or 482-5288, respectively.

**BACKGROUND:** On March 28, 1995, in the case of *Nihon Cement Co., Ltd. et al. v. United States*, Slip Op. 95-53 (*Nihon*), the United States Court of International

Trade (CIT) affirmed the Department's redetermination on remand of the investigation of sales at less than fair value of Cement from Japan (56 FR 12156, March 22, 1991, as amended by 56 FR 21658, May 10, 1991). In that redetermination, the Department recalculated the deposit rates of Onoda Cement Co. (Onoda), Nihon Cement Co., Ltd. (*Nihon*), and the "All Others" rate. On May 10, 1995, the Department published notice of the court decision and the new rates (60 FR 24832, May 10, 1995). In that notice the Department stated that it must continue to suspend liquidation until a "conclusive" decision in this action is reached. Because none of the parties appealed the CIT's decision and the opportunity to appeal has expired, the Department is amending the rates calculated in the final determination and order. The new rates are: 70.52 for Onoda; 69.89 for *Nihon*; and 70.23 for "All Others". We will instruct Customs to continue to suspend liquidation, and collect cash deposits, at the new rates for *Nihon* and "All Others". The effective cash deposit rate for Onoda has been determined by a subsequent administrative review, and is therefore not affected by the recalculation of these rates.

Dated: July 25, 1995.
