

may include a waiver of insurance premiums, premium rebates, and/or distributions from NCUSIF equity.

(f) *Forms 1304 and 1305.* A certified copy of Form 1304 will be provided to all federally insured state-chartered credit unions and Form 1305 to all federally chartered credit unions in connection with the computation and funding of their annual premium payment and any change in their one percent deposit. Form 1305 also includes the annual operating fee. Forms 1304 and 1305 are invoices and are precalculated based on the credit union's previous year's insured shares. The forms provide for any adjustments declared by the NCUA Board, resulting in a single net transfer of funds between the credit union and the NCUA. Additional copies of each credit union's Form 1304 and 1305 may be obtained from the appropriate NCUA Regional Office.

(g) *New charters.* A newly-chartered credit union that obtains share insurance coverage from the NCUSIF during the insurance year in which it has obtained its charter shall not be required to pay an insurance premium for that insurance year. The credit union shall fund its one percent deposit on a date to be determined by the NCUA Board in the following insurance year, but shall not participate in any distribution from NCUSIF equity related to the period prior to the credit union's funding of its deposit.

(h) *Conversion to Federal insurance.* An existing credit union that converts to insurance coverage with the NCUSIF during an insurance year shall immediately fund its one percent deposit based on the total of its shares as of the close of the month prior to conversion and shall pay a premium (unless waived in whole or in part for all insured credit unions during that year) in an amount that is prorated to reflect the remaining number of months in the insurance year. The credit union will be entitled to a prorated share of any distribution from NCUSIF equity declared subsequent to the credit union's conversion.

(i) *Mergers of nonfederally insured credit unions.* Where a nonfederally insured credit union merges into a federally insured credit union, the continuing federally insured credit union shall immediately pay to the NCUSIF a prorated insurance premium (unless waived in whole or in part for all federally insured credit unions), and an additional one percent deposit based upon the increase in insured shares resulting from the merger.

(j) *Return of deposit.* Any insolvent credit union that is closed for

involuntary liquidation will not be entitled to a return of its deposit. Any solvent credit union that is closed due to involuntary liquidation shall be entitled to a return of its deposit prior to final distribution of member shares. Any other credit union whose insurance coverage with the NCUSIF terminates will be entitled to a return of the full amount of its deposit immediately after the final date on which any shares of the credit union are insured, except that the NCUA Board reserves the right to delay payment by up to one year if it determines that immediate payment would jeopardize the financial condition of the NCUSIF. This includes termination of insurance due to mergers and consolidations. A credit union that receives a return of its deposit during an insurance year shall have the option of leaving a nominal sum on deposit with the NCUSIF until the next distribution from NCUSIF equity and will thus qualify for a prorated share of the distribution.

(k) *Assessment of administrative fee and interest for delinquent payment.* Each federally insured credit union shall pay to the NCUA an administrative fee, the costs of collection, and interest on any delinquent payment of its capitalization deposit or insurance premium. A payment will be considered delinquent if it is postmarked later than the date stated in the invoice provided to the credit union. The NCUA may waive or abate charges or collection of interest, if circumstances warrant.

(1) The administrative fee for a delinquent payment shall be an amount as fixed from time to time by the NCUA Board based upon the administrative costs of such delinquent payments to the NCUA in the preceding year.

(2) The costs of collection shall be calculated as the actual hours expended by NCUA personnel multiplied by the average hourly cost of the salaries and benefits of such personnel.

(3) The interest rate charged on any delinquent payment shall be the U.S. Department of the Treasury Tax and Loan Rate in effect on the date when the payment is due as provided in 31 U.S.C. 3717.

§ 741.5 Notice of termination of excess insurance coverage.

In the event of a credit union's termination of share insurance coverage other than that provided by the NCUSIF, the credit union must notify all members in writing of such termination at least 30 days prior to the effective date of termination.

§ 741.6 Financial and statistical and other reports.

(a) Each operating insured credit union with assets in excess of \$50,000,000 shall file with the NCUA a quarterly Financial and Statistical Report on Form NCUA 5300, on or before January 22 (as of the previous December 31), April 22 (as of the previous March 31), July 22 (as of the previous June 30) and October 22 (as of the previous September 30) of each year. All other operating insured credit unions shall file with the NCUA on or before January 31 and on or before July 31 of each year a semiannual Financial and Statistical Report on Form NCUA 5300, as of the previous December 31 (in the case of the January filing) or June 30 (in the case of the July filing).

(b) Insured credit unions shall, upon written notice from the NCUA Board or Regional Director, file such financial or other reports in accordance with instructions contained in such notice.

§ 741.7 Conversion to a state-chartered credit union.

Any federal credit union that petitions to convert to a state-chartered federally insured credit union is required to apply to the Regional Director for continued insurance of its accounts and meet the requirements as stated in the Act and this part. If the application for continued insurance is not approved, such insurance will terminate subject to the conditions set forth in section 206(d) of the Act.

§ 741.8 Purchase of assets and assumption of liabilities.

(a) Any credit union insured pursuant to Title II of the Act must apply for and receive approval from the NCUA Board before either purchasing or acquiring loans or assuming or receiving an assignment of deposits, shares, or liabilities from:

(1) Any credit union that is not insured pursuant to Title II of the Act;

(2) Any other financial-type institution (including depository institutions, mortgage banks, consumer finance companies, insurance companies, loan brokers, and other loan sellers or liability traders); or

(3) Any successor in interest to any institution identified in paragraphs (a)(1) or (a)(2) of this section.

(b) Approval is not required for:

(1) Purchases of student loans or real estate secured loans to facilitate the packaging of a pool of loans to be sold or pledged on the secondary market under § 701.23(b)(1) (iii) or (iv) of this chapter or comparable state law for state-chartered credit unions, or purchases of member loans under
