return to the employer, or the employer's agent or representative at a U.S. address, one copy of the attestation form submitted by the employer, with ETA's acceptance indicated thereon. The employer may then use alien crewmembers for the particular activity of longshore work at the U.S. port cited in the attestation in accordance with INS regulations.

(ii) DOL is not the guarantor of the accuracy, truthfulness or adequacy of an attestation accepted for filing.

- (2) Unacceptable attestations. ETA shall not accept an attestation for filing and shall return such attestation to the employer, or the employer's agent or representative at a U.S. address, when one of the following conditions exists:
- (i) When the Form ETA 9033 is not properly filled out. Examples of improperly filled out Form ETA 9033's include instances where the employer has neglected to check all the necessary boxes, or where the employer has failed to include the name of the port where it intends to use the alien crewmembers for longshore work, or where the employer has named a port that is not listed in Appendix A and has failed to submit facts and evidence to support a showing that the location is a port as defined by § .502, or when the employer has failed to sign the attestation or to designate an agent in the United States:
- (ii) When the Form ETA 9033 with accompanying documentation is not received by ETA at least 14 days prior to the date of performance of the first activity indicated on the Form ETA 9033; unless the employer is claiming an unanticipated emergency, has included documentation which supports such claim, and ETA has found the claim to be valid;
- (iii) When the Form ETA 9033 does not include accompanying documentation for each of the requirements set forth at § _____.510 (d) through (f);
- (iv) When the accompanying documentation required by paragraph (c) of this section submitted by the employer, on its face, is inconsistent with the requirements set forth at .510 (d) through (f). Examples of such a situation include instances where the Form ETA 9033 pertains to one port and the accompanying documentation to another; where the Form ETA 9033 pertains to one activity of longshore work and the accompanying documentation obviously refers to another; or where the documentation clearly indicates that only thirty percent, instead of the required fifty percent, of the activity

attested to is performed by alien crewmembers;

(v) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that the particular activity of longshore work which the employer has attested is the prevailing practice at a particular port, is not, in fact, the prevailing practice at the particular port;

(vi) When the Administrator, Wage and Hour Division, has notified ETA, in writing, that a cease and desist order has been issued pursuant to subpart G of this part, with respect to the attesting employer's performance of the particular activity and port, in violation of a previously accepted attestation;

(vii) When the Administrator, Wage and Hour Division, has notified ETA, in writing, after an investigation pursuant to subpart G of this part, that the particular employer has misrepresented or failed to comply with an attestation previously submitted and accepted for filing, but in no case for a period of more than one year after the date of the Administrator's notice and provided that INS has not advised ETA that the prohibition is in effect for a lesser period; or

(viii) When the Administrator, Wage and Hour Division, has notified ETA, in writing, that the employer has failed to comply with any penalty, sanction, or other remedy assessed in a final agency action following an investigation by the Wage and Hour Division pursuant to subpart G of this part.

(3) Resubmission. If the attestation is not accepted for filing pursuant to the categories set forth in paragraph (g)(2) of this section, ETA shall return to the employer, or the employer's agent or representative, at a U.S. address, the attestation form and accompanying documentation submitted by the employer. ETA shall notify the employer, in writing, of the reason(s) that the attestation is unacceptable. When an attestation is found to be unacceptable pursuant to paragraphs (g)(2) (i) through (iv) of this section, the employer may resubmit the attestation with the proper documentation. When an attestation is found to be unacceptable pursuant to paragraphs (g)(2) (v) through (viii) of this section and returned, such action shall be the final decision of the Secretary of Labor.

(h) Effective date and validity of filed attestations. An attestation is filed and effective as of the date it is accepted and signed by the regional Certifying Officer. Such attestation is valid for the 12-month period beginning on the date of acceptance for filing, unless suspended or invalidated pursuant to subpart G of

this part or paragraph (i) of this section. The filed attestation expires at the end of the 12-month period of validity.

(i) Suspension or invalidation of filed attestations. Suspension or invalidation of an attestation may result from enforcement action(s) under subpart G of this part (i.e., investigation(s) conducted by the Administrator or cease and desist order(s) issued by the Administrator regarding the employer's misrepresentation in or failure to carry out its attestation); or from a discovery by ETA that it made an error in accepting the attestation because such attestation falls within one of the categories set forth in paragraph (g)(2) of this section.

(1) Result of Wage and Hour Division action. Upon the determination of a violation under subpart G of this part, the Administrator shall, pursuant to §______.660(b), notify the Attorney General of the violation and of the Administrator's notice to ETA.

(2) Result of ETA action. If, after accepting an attestation for filing, ETA finds that the attestation is unacceptable because it falls within one of the categories set forth at paragraph (g)(2) of this section, and as a result, ETA suspends or invalidates the attestation, ETA shall notify the Attorney General of such suspension or invalidation and shall return a copy of the attestation form to the employer, or the employer's agent or representative, at a U.S. address. ETA shall notify the employer, in writing, of the reason(s) that the attestation is suspended or invalidated. When an attestation is found to be suspended or invalidated pursuant to paragraphs (g)(2) (i) through (iv) of this section, the employer may resubmit the attestation with the proper documentation. When an attestation is suspended or invalidated because it falls within one of the categories in paragraphs (g)(2) (v) through (viii) of this section, such action shall be the final decision of the Secretary of Labor, except as set forth in subpart G of this part.

(i) Withdrawal of accepted attestations. (1) An employer who has submitted an attestation which has been accepted for filing may withdraw such attestation at any time before the 12month period of its validity terminates, unless the Administrator has found reasonable cause under subpart G to commence an investigation of the particular attestation. Such withdrawal may be advisable, for example, when the employer learns that the particular activity(ies) of longshore work which it has attested is the prevailing practice to perform with alien crewmembers may not, in fact, have been the prevailing
