Fee Payment Procedures for LPTV, TV Translators & TV Boosters, FM Translators & FM Boosters

Who Must Pay: Holders of Low Power Television, TV translator and booster licenses, and FM translator and booster licenses whose license was granted before October 1, 1994. Governments and nonprofit (exempt under section 501 of the Internal Revenue Code) entities are exempt from paying regulatory fees and should not submit

payment, but may be asked to submit a current IRS Determination Letter documenting its nonprofit status, a certification of governmental authority, or certification from a governmental authority attesting its exempt status. Also exempted from this fee are non-commercial educational FM and full service television broadcast station licensees that hold low power television, TV translator or TV booster licenses, or FM translator or FM booster licenses issued on or before October 1, 1994, provided those stations operate on a noncommercial educational basis. We will automatically waive the regulatory fee for the licensee of any translator that: (1) Is not licensed to, in whole or in part, and does not have common ownership with, the licensee of a commercial broadcast station; (2) does not derive income from advertising; and

(3) is dependent on subscriptions or contributions from the members of the community served for support. Finally, licensees of low power television, TV translator or TV booster, or FM translator or FM booster stations whose licenses were issued on or before October 1, 1994 and which have obtained a fee refund because of a NTIA facilities grant for their station or a fee waiver because of demonstrated compliance with the eligibility and service requirements of Section 73.621 of the Commissions Rules, are similarly exempt from payment of this regulatory fee. Licensees claiming an exemption based on one of these latter criteria should not submit payment, but may be asked to document their exempt status.

Fee Requirement: Fees are assessed on a per license basis as follows:

Type of license	Regulatory fee	Payment type code

Special Instructions for Completing FCC Forms 159 & 159-C

FCC Form 159 ("FCC Remittance Advice") and, as necessary, FCC Form 159-C ("Advice Continuation Sheet") must accompany all regulatory fee payments. Form 159 allows payors to

report information on one or more payment items (e.g., multiple FM or TV station licenses). Use Form 159-C to report additional payments.

An FCC Form 159 and a 159-C have been attached to this Public Notice for you to complete and remit with your

payment. You may make additional copies of the forms as required. In addition to the instructions for Form 159 (which are on the reverse side of the Form), the following information applies specifically to mass media fee payors.
