## DEPARTMENT OF THE INTERIOR

### 41 CFR Chapter 114

RIN 1090-AA53

#### Internal Directives and Procedures Governing Property Management Program

**AGENCY:** Department of the Interior, Office of the Secretary.

**ACTION:** Final rule.

**SUMMARY:** The Department of the Interior has amended the internal directives and procedures governing its property management program. The Department of the Interior is now deleting text from the Code of Federal Regulations. This text, which does not affect the public, is being deleted because it duplicates the test in other internal directives. The intended effect is to eliminate duplicate regulations and thereby simplify the regulatory structure.

**EFFECTIVE DATE:** This rule is effective September 5, 1995.

**FOR FURTHER INFORMATION CONTACT:** Robert E. Lomax, Office of Acquisition and Property Management, ms 5512-MIB, U.S. Department of the Interior, Washington, DC 20240, Phone: (202) 208-3337.

**SUPPLEMENTARY INFORMATION:** These property management regulations govern the internal actions of the Department of the Interior and its bureaus. Inasmuch as the content of these regulations is set forth in greater detail in the Department of the Interior's internal Property Management Directives (IPMD), the Department has determined that it is no longer necessary to maintain these regulations in 41 CFR Chapter 114.

This rule was not subject to Office of Management and Budget review under E.O. 12866. Because these procedures govern only internal management actions of the DOI, this document will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*).

The DOI has further determined that these regulations will not significantly affect the environment.

An environmental impact statement is not required under the National Environmental Policy Act of 1969. Because the Department, by removing these regulations, is simply relying on more comprehensive internal directives which are already in place, the Department for good cause, within the meaning of 5 U.S.C. 553(b)(B), finds that notice and public comment on the rule are not required. Finally, the DOI has determined that the rule has no federalism implications affecting the relationship between the national government and the states as outlined in Executive Order 12612.

This rule does not contain information collection requirements which require approval by the office of Management and Budget under 44 U.S.C. 3501 *et seq.*

The primary author of this document is Robert E. Lomax, Chief, Division of Property Management, Office of Acquisition and Property Management, U.S. Department of the Interior.
