change (File No. SR–PTC–94–09) as described in Items I, II, and III below, which items have been prepared primarily by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to codify PTC's rules and provide for the distribution to participants and limited purpose participants.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, PTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. PTC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Following an inspection of PTC in 1994, the Commission's Northeast Regional Office recommended that PTC file a rule change with the Commission to provide participants with a new set of rules and procedures which encompasses all amendments.² The filing of the present proposed rule change to codify PTC's rules and distribute the codified rules to participants and limited purpose participants complies with this recommendation.

Specifically, PTC is distributing to participants and limited purpose participants a fully codified set of rules incorporating all amendments into the text of the rules. In addition, the codified set of rules integrates into the rules PTC's procedures which were formerly appended to the rules as a supplement and which, in certain cases, superseded conflicting provisions in the rules. The integration of the amendments and the procedures into the text of PTC's rules makes them easier to follow and to understand by

eliminating the need to refer to several documents at once. In the future, amendments to the rules will be distributed to participants and limited purpose participants in the form of substitute pages that will replace superseded pages in the codified text.

PTC believes that the proposed rule change is consistent with Section 17A(b)(3)(F) of the Act ³ and the rules and regulations thereunder in that it is designed to promote the prompt and accurate settlement of securities transactions and to remove impediments to and perfect the mechanisms of a national system for the prompt and accurate settlement of securities transactions.

(B) Self-Regulatory Organization's Statements on Burden on Competition

PTC does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

PTC has not solicited comments with respect to the proposed rule change, and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act 4 and subparagraph (e)(1) of Rule 19b-4⁵ thereunder because the proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW.,

Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing will also be available for inspection and copying at the principal office of PTC. All submissions should refer to File No. SR-PTC-94-09 and should be submitted by February 10,

For the Commission, by the Division of Market Regulation, pursuant to delegated authority. 6

Margaret H. McFarland,

Deputy Secretary.
