II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to continue the efforts of The Cincinnati Stock Exchange to improve the quality of its market. Specifically, the Exchange is proposing to codify certain requirements with respect to order exposure and limit order protection. These requirements will ensure that customer orders receive (1) an opportunity to obtain an improved price, and (2) at a minimum, as good an execution as that which is provided by the primary markets.

Exception language to specific exposure requirements has been included in order to assure the public that a broker-dealer will always act in a manner consistent with his or her fiduciary responsibility as agent. For example, it may not be in the best interest of the customer to always expose an order for thirty seconds in a fast market or to expose all of an order if such order is for a large size.

2. Statutory Basis

The CSE believes that the proposed rule change is consistent with Section 6(b) of the act in general and furthers the objectives of Section 6(b)(5) in particular in that it will promote just and equitable principles of trade and remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition. *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others*

On August 3, 1995, the Exchange solicited comments from the participants of the Intermarket Trading System. No comments were received prior to filing the proposed rule change with the Commission.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) by order approve the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of such filing will also be available for inspection and copying at the principal office of the CSE. All submissions should refer to File No. SR-CSE-95-03, Amendment No. #1 and should be submitted by September 5, 1995.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.
