3. Approved Conceptual Proposals (Award of Waivers Pending)

Demonstration Title/State: Palmetto Health Initiative—South Carolina.

Description: South Carolina proposes to expand Medicaid eligibility to include uninsured persons with incomes of up to 100 percent of the Federal poverty level. New and current eligibles in this statewide program would receive services through either a fully capitated managed health plan or a partially capitated primary care provider. South Carolina also proposes to implement a managed care program, with a focus on home and community-based services, for persons requiring, or at risk of requiring, placement in a nursing facility.

The Health Care Financing Administration (HCFA) will be working with South Carolina over the next year to develop the infrastructure necessary for the proposed demonstration. HCFA will consider the State's request for waivers once the State has successfully completed a set of agreed upon milestones.

Date Received: March 1, 1994.

Date Concept Approved: November 18, 1994.

State Contact: Eugene A. Laurent, Ph.D., Executive Director, State Health and Human Services Finance Commission, P.O. Box 8206, Columbia, South Carolina 29202, (803) 253-6100.

4. Approved Proposals

Demonstration Title/State: Florida Health Security Program—Florida.

Description: The Florida Health Security Program is a voluntary, employer-based, discounted premium program designed to provide access to private health insurance for employed but uninsured Floridians. The program will use a managed competition model and will provide health insurance for 1.1 million uninsured Floridians with incomes at or below 250 percent of the Federal poverty level. Health plans (indemnity and HMO) will be offered by Accountable Health Partnerships and administered by Community Health Purchasing Alliances.

Date Received: February 10, 1994.

Date Awarded: September 15, 1994.

Implementation Date: The implementation date has not yet been set, pending approval by the State legislature.
