**FOR FURTHER INFORMATION CONTACT:** David Vega, Regional Director at (312) 353–0182.

**SUPPLEMENTARY INFORMATION:** The funding instrument for this project will be a cooperative agreement. Contingent upon the availability of Federal funds, the cost of performance for the first budget period (13 months) from July 1, 1995 to July 30, 1996, is estimated at \$169,125. The total Federal amount is \$169,125 and is composed of \$165,000 plus the Audit Fee amount of \$4,125.

Competition is open to individuals, non-profit and for-profit organizations, state and local governments, American Indian tribes and educational institutions. Applications will be evaluated on the following criteria: the experience and capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of Native American businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the

application (25 points); and the firm's estimated cost for providing such assistance (20 points).

An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. Those applications determined to be acceptable and responsive will then be evaluated by the Director of MBDA. Final award selections shall be based on the number of points received, the demonstrated responsibility of the applicant, and the determination of those most likely to further the purpose of the MBDA program. Negative audit findings and recommendations and unsatisfactory performance under prior Federal awards may result in an application not being considered for funding.
