

Background

In Treasury Decisions 95-77 and 95-78, both published in this issue of the Federal Register, Customs amended its regulations to reflect its new organizational structure. Concerning this reorganization, Customs stated that, although the concepts of districts and regions would, for the most part, be eliminated, they would still exist for certain limited purposes concerning broker permits and cartage and lighterage licensing. Accordingly, in § 111.1, definitions of "district" and "district director" were added to enable the current statutory Customs broker licensing and permit schemes to operate, and in § 112.1, a definition of "district" was added for certain purposes regarding the cartage and lighterage of merchandise by parties excepted from obtaining a license to do so. Both of these sections provided that Customs would publish a listing of each district, and the ports thereunder, on or before October 1, 1995, and whenever updated. This document constitutes the referenced publication.

In the table below, arranged alphabetically by State or other geographic location, each of the service ports listed in the left column represents a "district" for purposes of §§ 111.1 and 112.1, and the ports of entry listed to the right of each service port represent the ports within that "district."
