SUPPLEMENTARY INFORMATION: (1)

Various sections of the FIRMR are being amended to update GSA offices and symbols. These changes result from several reorganizations within GSA.

(2) GSA has determined that this rule is not a significant regulatory action for the purposes of Executive Order 12866 of October 4, 1993, because it is not likely to result in any of the impacts noted in Executive order 12866, affect the rights of specified individuals, or raise issues arising from the policies of the Administration. GSA has based all administrative decisions underlying this

rule on adequate information concerning the need for and consequences of this rule; has determined that the potential benefits to society from this rule outweigh the potential costs and has maximized the net benefits and has chosen the alternative approach involving the least net cost to society.

(3) The recordkeeping provisions of the Paperwork Reduction Act do not apply because the FIRMR changes do not impose information collection requirements or collection of information from offerors, contractors, or members of the public which require the approval of OMB under 44 U.S.C. 3501 et seq.
