with, any joint enterprise or other joint arrangement in which the registered investment company is a participant unless the SEC has issued an order approving the arrangement. The Vanguard Funds and TVGI are engaged in a joint enterprise within the meaning of section 17(d).

2. Applicants request an exemption under section 17(d) and rule 17d-1 to permit the Boards of Directors of the Vanguard Funds to modify the Funds' Service Agreement. Applicants believe that, for the reasons discussed above, the proposed amendments to the Funds' Service Agreement are consistent with the standards of rule 17d-1. Requiring STAR to make an asset-related capital contribution to TVGI, when the assets of STAR will already be bearing a capital assessment indirectly at the Portfolio level, would unfairly impose duplicative expenses upon the shareholders of STAR, and confer an unjustified benefit on the acquired Portfolios, as well as the other Vanguard Funds, which will be deriving other benefits from STAR's participation in

Applicants' Conditions

Applicants agree that the order granting the requested relief shall be subject to the following conditions:

- 1. STAR and each acquired Vanguard Fund will be part of a group of investment companies which holds itself out to investors as related companies for purposes of investment and investor services, and which obtains corporate management, administrative, and distribution services from TVGI.
- 2. No acquired Vanguard fund shall acquire securities of any other investment company in excess of the limits contained in section 12(d)(1)(A) of the Act.
- 3. A majority of the directors of STAR will not be "interested persons," as defined in a section 2(a)(19) of the Act.
- 4. Before approving any advisory contract under section 15 of the Act, the Board of Directors of STAR, including a majority of the directors who are not "interested persons," as defined in section 2(a)(19), shall find that advisory fees charged under such contract are based on services provided that are in addition to, rather than duplicative of, services provide pursuant to any acquired vanguard fund's advisory contract. Such finding, and the basis upon which the finding was made, will be recorded fully in the minute books of STAR.
- 5. Any sales charges or service fees charged with respect to securities of STAR, when aggregated with any sales

charges or service fees paid by STAR with respect to shares of the acquired Vanguard Funds, shall not exceed the limits set forth in Article III section 26, of the Rules of Fair Practice of the National Association of Securities Dealers, Inc.

6. The applicants agree to provide the following information, in electronic format, to the Chief Financial Analyst of the SEC's Division of Investment Management: Monthly average total assets of each STAR Fund Portfolio and each of its acquired Vanguard funds; monthly purchases and redemptions (other than by exchange) for each STAR Fund Portfolio and each of its acquired Vanguard Funds; monthly exchanges into and out of each STAR Fund Portfolio and each of its acquired Vanguard Funds; month-end allocations of each STAR Fund Portfolio's assets among its acquired Funds; annual expense ratios for each STAR Fund Portfolio and each of its acquired Vanguard Funds; and a description of any vote taken by the shareholders of any acquired Vanguard Fund, including a statement of the percentage of votes cast for and against the proposal by STAR and by the other shareholders of the acquired Vanguards Funds. Such information will be provided as soon as reasonably practicable following each fiscal year-end of STAR (unless the Chief Financial Analyst shall notify applicants in writing that such information need no longer be submitted).

By the Commission.
