28 CFR Part 2

Paroling, Recommitting, and Supervising Federal Prisoners: Pre-Release Reviews of Parole Dates

AGENCY: Parole Commission, Justice. ACTION: Final rule.

SUMMARY: The U.S. Parole Commission is changing the definition of the term "effective date of parole" to refer to a parole that has been given final approval, without further review, within nine months of the prisoner's scheduled release. Under the current rule, the final review and approval of a parole date can only occur within six months of the prisoner's release. Until such final review and approval, a parole date is presumptive only. The purpose of this rule change is to streamline the review process, and to avoid delays in the release planning efforts of prison staff. It does not otherwise change the paroling practices of the Commission. **EFFECTIVE DATE:** November 1, 1995.

FOR FURTHER INFORMATION CONTACT: Pamela A. Posch, Office of General Counsel, U.S. Parole Commission, 5550 Friendship Blvd., Chevy Chase, Maryland 20815. Telephone (301) 492– 5959.

SUPPLEMENTARY INFORMATION: Under the federal parole system, an eligible prisoner (*i.e.*, a prisoner whose crime was committed prior to November 1, 1987), may be given a presumptive parole date up to fifteen years in advance. The date is "presumptive" because it is subject to periodic interim hearings under 18 U.S.C. 4208(h), and to a final pre-release review and approval six months prior to the scheduled release of the prisoner. 28 CFR 2.14(b).

The Bureau of Prisons submits a progress report on each prisoner who has a presumptive parole date, six to nine months in advance of that date. Because 28 CFR 2.1(h) requires the Commission to delay its review until 180 days prior to the date, delays can occur in the release planning efforts of Bureau of Prisons staff. In order to avoid such delays, the Commission has decided to amend 28 CFR 2.1(h) to permit the Commission to convert a presumptive date of parole to an effective date of parole (*i.e.*, a parole date that is not subject to further review) nine months prior to that date. Certain other rules are also amended, in order to conform with this change.

Executive Order 12866 and Regulatory Flexibility Statement

The U.S. Parole Commission has determined that this rule is not a significant rule within the meaning of Executive Order 12866, and the rule has, accordingly, not been reviewed by the Office of Management and Budget. The rule will not have a significant economic impact upon a substantial number of small entities, within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 605(b).
