proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Term of Substance of the Proposed Rule Change

SCCP proposes to modify SCCP rules 18 and 40 to be in conformity with the three business day settlement standard. SCCP requests that the Commission delay effectiveness of the proposed rule change until the effective date of Commission Rule 15c6–1.

II. Self-Regulatory Organization's Statements Regarding the Proposed Rule Change

In its filing with the Commission, SCCP included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The SCCP has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of and Statutory Basis for the Proposed Rule Change

On October 6, 1993, the Commission adopted Rule 15c6–1 under the Act which will become effective June 7, 1995.³ The rule establishes three business days after the trade date ("T+3") instead of five business days ("T+5") as the standard settlement cycle for most broker-dealer trades. In the release adopting Rule 15c6–1, the Commission concluded that a T+3 settlement cycle, as compared to the current T+5 settlement cycle, will reduce credit and liquidity risks and will increase efficiency in broker-dealer and clearing agency operations. SCCP has identified those rules which

SCCP has identified those rules which require amendment to provide for compliance with a T+3 settlement cycle by member and member organizations. The rules are as follows.

Rule 18 ("Insolvency"), Section 6 currently provides that upon the insolvency of a participant, no contracts, pending settlement up to and including T+3 shall be settled by SCCP. Rule 18, Section 7 currently provides that on or after T+4, SCCP will buy in the securities due it from an insolvent participant and will sell out the securities due to the participant from SCCP. The time frames contained in these sections will be shortened by two days.

Rule 40 ("Instruments with Exercise Privileges") states that a Participant is advised of potential liability based on its short value positions the fourth business day after the trade date. Under the proposed rule change, the participants will be advised on the second business day.

SCCP's implementation of the proposed rule change will be consistent with the T+3 conversion schedule which SCCP and the National Securities Clearing Corporation ("NSCC") have developed for industry use. The Conversion schedule for June 1995 is as follows.

Trade date	Settle- ment cycle	Settle- ment date
June 2, Friday	5 day	June 9, Friday.
June 5, Monday	4 day	June 9, Friday.
June 6, Tuesday	4 day	June 12, Mon- day.
June 7, Wednesday .	3 day	June 12, Mon- day.

If the Commission determines to alter the exemptions currently provided in Rule 15c6–1, SCCP may need to submit additional rule amendments. It is intended that this proposed rule change will become effective the same date as Commission Rule 15c6–1 becomes effective.

The proposed rule change is consistent with Section 17A of the Act in that it will facilitate the safeguarding of securities and funds which are in SCCP's custody or control or for which SCCP is responsible. The proposed change also is consistent with Commission Rule 15c6–1 which requires brokers or dealers to settle most securities transactions no later than the third business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

B. Self-Regulatory Organization's Statement on Burden on Competition

SCCP does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which SCCP consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.
