SYSTEM NAME:

Access Control Entry/Exit System.

SYSTEM LOCATION:

Records may be retained at the Central Office, Regional Offices, and at any of the Bureau of Prison (Bureau) facilities. A list of these system locations may be found at 28 CFR part 503.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Current and former staff, inmates now or formerly under the custody of the Attorney General or the Bureau, and all visitors to Bureau facilities, including law enforcement personnel, contractors, volunteers, and inmate visitors.

CATEGORIES OF RECORDS IN THE SYSTEM:

Information retrieved and stored by the system may include any information relative to providing safe and secure prison facilities, to protecting the prison population and/or the general public, and/or, where appropriate, to otherwise promoting the interests of effective law enforcement. Examples include:

- (a) Identification data (much of which is collected from the individual) such as the person's name, current residence, social security number, employer, place and date of birth, age, height, weight, digital image, biometric identifier information, alien registration number, driver's license number, telephone number, passport number, systemgenerated number, hair color, eye color, sex, race, escort of visitor into institution, and system classification of individual;
- (b) Other data collected from the visitor and/or from law enforcement to enable prison officials to determine the suitability/acceptability of a visitor such as: The purpose of the visit, relationship to the inmate and information indicating whether the visitor is under investigation by law enforcement and/or has ever been convicted of a crime, probation and/or parole status, name of supervising probation/parole officer, etc.;
- (c) Records generated by the system to report entry/exit activity e.g., date and time of entry/exit, entry/exit locations used; and location data, including location in the institution visited and/or movement within the institution;

This system is established and maintained under the authority of 18 U.S.C. 3621, 4003, 4042, 4082.

Where these efforts fail to prevent such violations, and/or where otherwise appropriate, records may be collected and used by the Bureau for internal investigations.

- (b) To Federal, State, local and foreign law enforcement agencies in order to solicit or obtain data needed by prison officials for law enforcement purposes, e.g., to determine whether a visitor may be under investigation, have a criminal record, or otherwise be unsuitable to visit; or to obtain any information that may enable the Bureau to pursue an internal investigation pertaining to any record subject based on information developed by the Bureau;
