[Docket No. AB-55 (Sub-No. 495X)]

CSX Transportation, Inc.— Abandonment and Discontinuance Exemption—in Lawrence County, IN

CSX Transportation, Inc. (CSXT) filed a notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments* to abandon its 6.7-mile line of railroad extending between milepost Q-245.0, at Bedford, and milepost Q-251.7, near Mitchell, in Lawrence County, IN. A notice of exemption was served and published in the **Federal Register** on October 5, 1994 (59 FR 50771).

CSXT certified that: (1) No local traffic has moved over the line for at least 2 years; (2) there is no CSXT overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Commission or with any U.S. District Court or has been decided in favor of the complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

The Brotherhood of Locomotive Engineers filed a request to revoke CSXT's exemption on November 28, 1994, alleging that the notice contained false or misleading information. CSXT's verified notice of exemption was properly filed. However, the notice served and published on October 5, 1994, contained a ministerial error and is amended by this new notice and **Federal Register** publication.

Because of trackage rights held by Soo Line Railroad Company's (SLR), CSXT may only discontinue service at this time. The effectiveness of this notice as to the abandonment will be contingent upon: (1) SLR's obtaining Commission approval or exemption to discontinue its trackage rights; and (2) CSXT informing any party requesting public use or trail use if and when such trackage rights are discontinued. *See Missouri Pac. R. Co.—Aban.—Osage & Morris Count. KS*, 9 I.C.C.2d 1228 (1993). Requests for public use or trail use conditions will not be acted upon until SLR has relinquished its trackage rights.

As a condition to use of this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen,* 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10505(d) must be filed.

A copy of any pleading filed with the Commission should be sent to applicant's representative: Charles M. Rosenberger, 500 Water St., J150, Jacksonville, FL 32202.

If the notice of exemption contains false or misleading information, the exemption is void *ab initio*.

CSXT has filed an environmental report which addresses the abandonment's effects, if any, on the environment and historic resources. The Section of Environmental Analysis (SEA) issued an environmental assessment (EA) on by October 13, 1994 finding that abandonment of the line will not significantly affect the quality of the human environment. Interested persons may obtain a copy of the EA by writing to SEA (Room 3219, Interstate Commerce Commission, Washington, DC 20423) or by calling Elaine Kaiser, Chief of SEA, at (202) 927–6248.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Decided: January 23, 1995.

By the Commission, David M. Konschnik, Director, Office of Proceedings.

Vernon A. Williams,

Secretary.

DEPARTMENT OF JUSTICE

[AAG/A Order No. 96-94]

Privacy Act of 1974 as Amended by the Computer Matching and Privacy Protection Act of 1988

This notice is published in the **Federal Register** in accordance with the requirements of the Privacy Act, as amended by the Computer Matching

and Privacy Protection Act of 1988 (CMPPA) (5 U.S.C. 552a(e)(12). The Immigration and Naturalization Service (INS), Department of Justice (the source agency), is participating in computer matching programs with the District of Columbia and agencies of five states (all designated as recipient agencies). These matching activities will permit the recipient agencies to confirm the immigration status of alien applicants for, or recipients of, Federal benefits assistance under the "Systematic Alien Verification for Entitlements (SAVE)' program as required by the Immigration Reform and Control Act (IRCA) of 1986 (Pub. L. 99-603). Specifically, the matching activities will permit the following eligibility determinations:

(1) The District of Columbia Department of Employment Services; the New York Department of Labor; and the Texas Employment Commission will be able to determine eligibility status for unemployment compensation.

(2) The California State Department of Social Services will be able to determine eligibility status for the Aid to Families with Dependent Children (AFDC) Program, and the Food Stamps Program.

(3) The Colorado Department of Social Services will be able to determine the eligibility status for the Medicaid Program, the AFDC Program, and the Food Stamps Program.

(4) The New Jersey Department of Labor will be able to determine eligibility status for unemployment compensation.

(5) The California State Department of Health Services will be able to determine eligibility status for the Medicaid Program.

Section 121(c) of IRCA amends section 1137 of the Social Security Act and requires agencies which administer the Federal benefit programs designated within IRCA to use the INS verification system to determine eligibility. Accordingly, through the use of user identification codes and passwords, authorized persons from these agencies may electronically access the data base of an INS system of records entitled "Alien Status Verification Index, Justice/INS-009." From its automated records system, any agency (named above) participating in these matching programs may enter electronically into the INS data base the alien registration number of the applicant or recipient. This action will initiate a search of the INS data base for a corresponding alien registration number. Where such number is located, the agency will receive electronically from the INS data base the following data upon which to determine eligibility: Alien registration number; last name, first name; date of
