the Still Pictures Branch, the Cartographic and Architectural Branch, and the Nixon Presidential Materials Staff will allow customers to order these reproductions directly from NARA-authorized vendors. NARA will provide individual notice of the NARA reproductions fees or the availability of reproductions from a vendor as we now do for other processes not contained in the published fee schedule. This rule will affect Federal agencies and members of the public who order reproductions from these three NARA offices.

DATES: The effective date of this rule is March 6, 1995. Comment on the interim rule must be received by March 31, 1995

ADDRESSES: Submit comments to the Director, Policy and Planning Division (PIRM–POL), National Archives at College Park, 8601 Adelphi Road, College Park, MD 20740–6001. Comments may also be faxed to (301) 713–7270.

FOR FURTHER INFORMATION CONTACT: Mary Ann Hadyka or Nancy Allard on (301) 713–6730.

SUPPLEMENTARY INFORMATION: This interim rule is being issued as part of NARA's program to improve customer service by privatizing the order fulfillment process for still photographs, aerial film and maps and drawings in the custody of the Still Picture Branch, the Cartographic and Architectural Records Branch, and the Nixon Presidential Materials Staff. Commencing on March 6, 1995, NARA will permit several vendors to set up copying work stations in Archives II located in College Park, MD, where the still photographs and cartographic and architectural records are housed and made available. During a one-year test period, these three units will refer customer requests for reproduction of these media to the vendors, who will determine fees, collect payments, perform the copying work, and mail the reproductions to the customers. Throughout the test period researchers will still have the option of making their own copies in the research rooms, within certain limitations. Other NARA archival units in the Washington, DC, area, and Presidential libraries and regional archives will continue to offer their traditional reproduction service for still photographs and oversize documents.

We are revising §§ 1258.2(c)(5), 1258.11, and 1258.12 to reflect the removal of published still photography and oversize electrostatic copying processes. We are also revising other paragraphs within § 1258.2(c) to reflect

changed mailing addresses and the transfer of the former National Audiovisual Center from NARA to the National Technical Information Service of Department of Commerce, which was effective on October 1, 1994.

This rule is being issued as an interim final rule without prior notice of proposed rulemaking as permitted by the Administrative Procedures Act (5 U.S.C. 553(b)(B)) when the agency for good cause finds that notice and public procedure thereon are impractical, unnecessary, or contrary to the public interest. The new trial procedure for ordering still photographs, aerial film and maps and drawings will begin on March 6, 1995. It is in the public interest to provide this alternative service as early as possible to improve customer service.

This rule is not a significant regulatory action for purposes of Executive Order 12866 of September 30, 1993 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, it is hereby certified that this rule will not have a significant impact on small entities.
