

question as to the exception's continuation.

(c) When excepting submission under FAR 15.804-1(b)(2)(iii), the contracting officer shall document the reasons for the exception. It is generally appropriate to include a description of the similarities and differences from a commercial item, along with a discussion of the actual sales prices of the commercial item and an explanation of the value of the differences from that

item. If the fact of substantial sales to the general public is well known, information addressing the quantity of sales is not required.
