Request was placed on the public record, and the thirty-day comment period expired on October 14, 1994. No comments were received.

The Commission in its July 22, 1994, Sunset Policy Statement said, in relevant part, that "effective immediately, the Commission will presume, in the context of petitions to reopen and modify existing orders, that the public interest requires setting aside orders in effect for more than twenty years." 1 The Commission's order in Docket No. C-1010 was issued on November 3, 1965, and has been in effect for more than twenty-nine years. Consistent with the Commission's July 22, 1994, Sunset Policy Statement, the presumption is that the order should be terminated. Nothing to overcome the presumption having been presented, the Commission has determined to reopen the proceeding and set aside the order in Docket No. C-1010.

Accordingly, it is ordered that this matter be, and it hereby is, reopened;

It is further ordered that the Commission's order in Docket No. C– 1010 be, and it hereby is, set aside, as of the effective date of this order.

By the Commission.
