

notices of initiation and preliminary results.

Therefore, in accordance with sections 751(d)(1) and 782(h)(2) of the Act and 19 CFR 353.25(d), 353.22(f), 355.25(d), and 355.22(h) based on affirmative statements of no interest in the proceedings by Bethlehem Steel, we are initiating these changed circumstances administrative reviews. Further, based on the representation made by the petitioners that other U.S. producers and potential producers of this merchandise have no interest in the orders regarding 100ARA-A steel rail, we have determined that expedited action is warranted, and we have preliminarily determined that the orders regarding 100ARA-A steel rail no longer are of interest to domestic interested parties. Because we have concluded that expedited action is warranted, we are combining these notices of initiation and preliminary results. Therefore, we are hereby notifying the public of our intent to revoke in part the antidumping and countervailing duty orders as to imports of 100ARA-A new steel rail from Canada.

In the event that these revocations in part become final, the effective date of the revocations will be August 1, 1994.

If final revocation in part occurs, we intend to instruct the U.S. Customs Service (Customs) to liquidate without regard to antidumping or countervailing duties and to refund any estimated antidumping and countervailing duties collected for all unliquidated entries of subject merchandise made on or after the effective date of partial revocation, in accordance with 19 CFR 353.25(d)(5) and 355.25(d)(5). We will also instruct Customs to refund interest for entries made on or after August 1, 1994, in accordance with section 778 of the Act. The current requirement for a cash deposit of estimated antidumping and countervailing duties will continue until publication of the final results of these changed circumstances reviews.
