General Instructions:

1. An escrow credit must be determined at each reexamination and interim determination occurring after the effective date of the FSS contract of participation while the family is participating in the FSS program.
2. The amount of the escrow credit can be calculated using Form HUD-52652, or another document which incorporates the procedures in Form HUD-52652.
3. The amount of the escrow credit will vary depending on the income level of each FSS family and is based on increases of **earned** income since the effective date of the contract of participation. If the family's adjusted income exceeds the lower-income limit in the jurisdiction in which the FSS family is living (the amount on line 3 is greater than the amount on line 2), the family does not qualify for an escrow credit. In such cases, line 4 - line 22 of Form HUD-52652 will not be completed.
