Except as provided in § 668.143—

(a) *Students whose native language is not English.* For a student whose native language is not English and who is not fluent in English, the institution shall use the following tests, as applicable:

(1) If the student is enrolled in a program conducted entirely in his or her native language, the student must take

a test approved under §§ 668.146 and 668.148(a)(2), or 668.149(b).

(2) If the student is enrolled in a program that is taught in English with an ESL component, and the student is enrolled in that program and the ESL component, the student must take either an ESL test approved under § 668.148(b), or a test in the student's native language approved under §§ 668.146, 668.148 or 668.149.

(3) If the student is enrolled in a program that is taught in English without an ESL component, or the student does not enroll in the ESL component if the institution offers such a component, the student must take a test in English approved under § 668.146.

(4) If the student enrolls in an ESL program, the student must take an ESL test approved under § 668.148(b); and

(b) *Persons with disabilities.* (1) An institution shall use a test described in § 668.148(a)(3) or 668.149(a) for a student with a documented impairment who has neither a high school diploma nor its equivalent and who is applying for Title IV, HEA program funds.

(2) The test must reflect the student's skills and general learned abilities rather than reflect the student's impairment.

(3) The institution shall document that a student is disabled and unable to be evaluated by the use of a conventional test from the list of tests approved by the Secretary.

(4) Documentation of a student's impairment may be satisfied by—

(b) If an institution properly based a student's eligibility determination for purposes of section 484(d) of the HEA on a test and passing score that was in effect on June 30, 1996, the institution does not have to redetermine the student's eligibility based upon a test and passing score that was approved under §§ 668.143 through 668.149.

(Authority: U.S.C. 1091(d))

§ 668.156 Approved State process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and
