(ii) Interests in the partnership are readily tradable on a secondary market or the substantial equivalent thereof.

(2) *Partnership interest*—(i) *In general.* For purposes of section 7704(b) and this section, an interest in a partnership includes—

(A) Any interest in the capital or profits of the partnership (including the right to partnership distributions); and

(B) Any financial instrument or contract the value of which is determined in whole or in part by reference to the partnership (including the amount of partnership distributions, the value of partnership assets, or the results of partnership operations).

(ii) Exception for non-convertible debt. For purposes of section 7704(b) and this section, an interest in a partnership does not include any financial instrument or contract that—

(A) Is treated as debt for federal tax purposes; and

(B) Is not convertible into or exchangeable for an interest in the capital or profits of the partnership and does not provide for a payment of equivalent value.

(iii) *Exception for tiered entities.* For purposes of section 7704(b) and this section, an interest in a partnership or a corporation (including a regulated investment company as defined in section 851 or a real estate investment trust as defined in section 856) that holds an interest in a partnership (lower-tier partnership) is not considered an interest in the lower-tier partnership.

(3) Definition of transfer. For purposes of section 7704(b) and this section, a transfer of an interest in a partnership means a transfer in any form, including a redemption by the partnership or the entering into of a financial instrument or contract described in paragraph (a)(2)(i)(B) of this section.

(b) *Established securities market.* For purposes of section 7704(b) and this section, an established securities market includes—

For purposes of section 7704(b) and this section, interests in a partnership that are not traded on an established securities market (within the meaning of section 7704(b) and paragraph (b) of this section) are readily tradable on a secondary market or the substantial equivalent thereof if, taking into account all of the facts and circumstances, the partners are readily able to buy, sell, or exchange their partnership interests in a manner that is comparable, economically, to trading on an established securities market.

(2) Secondary market or the substantial equivalent thereof. For purposes of paragraph (c)(1) of this section, interests in a partnership are readily tradable on a secondary market or the substantial equivalent thereof if—

(iv) Prospective buyers and sellers otherwise have the opportunity to buy, sell, or exchange interests in the partnership in a time frame and with the regularity and continuity that is comparable to that described in the other provisions of this paragraph (c)(2).

(3) Secondary market safe harbors. The fact that a transfer of a partnership interest is not within one or more of the safe harbors described in paragraph (e), (f), (g), (h), or (j) of this section is disregarded in determining whether interests in the partnership are readily tradable on a secondary market or the substantial equivalent thereof.

(d) Involvement of the partnership required. For purposes of section 7704(b) and this section, interests in a partnership are not traded on an established securities market within the meaning of paragraph (b)(5) of this section and are not readily tradable on a secondary market or the substantial equivalent thereof within the meaning of paragraph (c) of this section (even if interests in the partnership are traded or readily tradable in a manner described in paragraph (b)(5) or (c) of this section) unless—

(1) The partnership participates in the establishment of the market or the inclusion of its interests thereon; or

(2) The partnership recognizes any transfers made on the market by—
