#### SUPPLEMENTARY INFORMATION:

##### Background

The Gulf and South Atlantic Fishery Management Councils will be holding public hearings on Draft Amendment 8 to the FMP and its draft SEIS.

Amendment 8 proposes management measures for the fisheries for king and

Spanish mackerel, cobia and dolphin (fish). Amendment 8 proposes some measures that (1) apply only to the South Atlantic Council's jurisdiction, (2) apply only to the Gulf Council's jurisdiction, or (3) apply to both Councils' jurisdictions. Proposed actions that would affect only the stocks and area under the jurisdiction of the Gulf of Mexico Council are as follows: Allow Gulf group king mackerel that can be taken only by hook-and-line (including longline) and run-around gill nets to be possessed on vessels with other gear aboard; require commercial dealer permits to buy and sell coastal pelagic fish managed under the FMP and require that dealers keep and make available records of purchase by vessel; establish a 5-year moratorium, beginning on October 16, 1995, on the issuance of both commercial vessel permits with a king mackerel endorsement and charter vessel permits; provide for transfer of vessel permits to other vessels; require that anyone applying for a commercial vessel permit demonstrate that 25 percent of annual income, or \$5,000, be from commercial fishing; and require, that, as a condition for a Federal commercial or charter vessel permit, the applicant agrees to comply with the more restrictive of state or Federal rules when fishing in state waters. Amendment 8 also includes the following measures that apply to both Councils' jurisdictions: Recreational bag and commercial trip limit alternatives for cobia and dolphin (fish); retention of king mackerel damaged by barracuda bites by vessels under commercial trip limits; alternatives for Atlantic king mackerel commercial trip limits off Monroe County, FL of either 50 fish or 125 fish; changes to the procedure used to set total allowable catch; and changes to definitions of overfishing and optimum yield. Proposed measures in Amendment 8 applying only to the area and stocks under the jurisdiction of the South Atlantic Council will be summarized in news releases for public hearings to be held in the South Atlantic area during January 1996.
