

minimum of 10 percent of materials and fabrication, whichever was greater; (2) actual profit or the statutory minimum of 8 percent of materials, fabrication costs and general expenses, whichever was greater; and (3) packing costs for merchandise exported to the United States. Where appropriate, we made adjustments to CV in accordance with 19 C.F.R. 353.56 for differences in circumstances of sale. For comparisons to purchase price sales, we deducted home market direct selling expenses and added U.S. direct selling expenses. For comparisons to ESP sales, we deducted home market direct selling expenses. We also made adjustments, where applicable, for home market indirect selling expenses to offset U.S. commissions in purchase price and ESP calculations. For comparisons involving ESP transactions, we made further deductions for CV for indirect selling expenses in the home market, capped by the indirect selling expenses incurred on ESP sales in accordance with 19 C.F.R. 353.56(b)(2).

#### Preliminary Results of Reviews

As a result of our reviews, we preliminarily determine the weighted-average dumping margins (in percent) for the period May 1, 1993, through April 30, 1994 to be:

Company	BBs	CRBs
FAG .....	2.23	0.00
Meter .....	3.75	( <sup>1</sup> )
SKF .....	3.26	( <sup>2</sup> )

<sup>1</sup> No review requested.

<sup>2</sup> Order partially revoked with respect to this company.

Parties to this proceeding may request disclosure within 5 days of the date of publication of this notice. Any interested party may request a hearing within 10 days of the date of publication of this notice. A general issues hearing, if requested, and any hearings regarding issues related solely to specific countries, if requested, will be held in accordance with the following schedule and at the indicated locations in the main Commerce building:

	Date	Time	Room No.
General issues.	Jan. 22, 1996.	10 a.m.	1412
Italy .....	Jan. 22, 1996.	2 p.m.	1412

Issues raised in hearings will be limited to those raised in the respective briefs or written comments, and rebuttal briefs or rebuttals to written comments. Briefs or written comments from interested parties, and rebuttal briefs or

rebuttals to written comments, limited to the issues raised in the respective case briefs and comments, may be submitted not later than the dates shown below for general issues and the respective country-specific cases. The Department will subsequently publish the final results of these administrative reviews, including the results of its analysis of issues raised in any such written comments or hearings.

Case	Briefs/comments due	Rebuttals due
General issues.	Jan. 8, 1996	Jan. 16, 1996
Italy .....	Jan. 8, 1996	Jan. 16, 1996

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Because sampling prevents calculation of duties on an entry-by-entry basis, we will calculate an importer-specific *ad valorem* duty assessment rate for each class or kind of merchandise based on the ratio of the total value of antidumping duties calculated for the examined sales made during the POR to the total customs value of the sales used to calculate those duties. This rate will be assessed uniformly on all entries of that particular importer made during the POR. (This is equivalent to dividing the total value of antidumping duties, which are calculated by taking the difference between statutory FMV and statutory USP, by the total statutory USP value of the sales compared, and adjusting the result by the average difference between USP and customs value for all merchandise examined during the POR.)

In some cases such as purchase price situations, the respondent does not know the entered value of the merchandise. Then, we will either calculate an approximate entered value or we will calculate an average per-unit dollar amount of antidumping duty based on all sales examined during the POR. See AFBs I at 31694. The Department will issue appropriate appraisal instructions directly to the Customs Service upon completion of these reviews.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of these administrative reviews, as provided by section 751(a)(1) of the Tariff Act: (1) The cash deposit rates for the reviewed companies will be those rates established in the final results of

these reviews (except that no deposit will be required for firms with zero or *de minimis* margins; i.e., margins less than 0.5 percent); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the "all others" rate made effective by the final results of the 1991-92 administrative reviews of these orders (see Final Results of Antidumping Duty Administrative Reviews and Revocation in Part of an Antidumping Duty Order, 58 FR 39729 (July 26, 1993)). As noted in those previous final results, these rates are the "all others" rates from the relevant LTFV investigations. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative reviews.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 C.F.R. 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These administrative reviews and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 C.F.R. 353.22(c)(5).

Dated: November 30, 1995.

Paul L. Joffe,

Deputy Assistant Secretary for Import Administration.
