

The CHX's proposed Tier II standards are essentially identical to the current CHX standards applicable to all listed issues, except that index warrants and contingent value rights will no longer be listed under Tier II.

Miscellaneous

The CHX does not propose to materially change its admissions procedures or its delisting procedures.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)(5) of the Act in that the proposal fosters cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, removes impediments to and perfects the mechanism of a free and open market and a national market system and protects investors and the public interest. The proposal also is consistent with Section 11A of the Act in that approval of the Tier I standards will aid in the development of the national market system by enhancing competition for equity listings.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the Federal Register or within such other period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the

Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communication relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-CHX-95-26 and should be submitted by December 28, 1995.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.

Self-Regulatory Organizations; Philadelphia Depository Trust Company and Midwest Securities Trust Company; Notice of Filing and Immediate Effectiveness of Proposed Rule Changes Modifying Procedures to Enable Compliance With Confirmation Disclosure Requirements Through the Use of the Institutional Delivery System

November 30, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on October 24, 1995, and on October 27, 1995, respectively, the Philadelphia Depository Trust Company ("PHILADEP") and the Midwest Securities Trust Company ("MSTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule changes as described in Items I, II, and III below, which Items have been prepared primarily by PHILADEP and MSTC. The Commission is publishing this notice to solicit comments on the proposed rule changes from interested parties.

¹ 15 U.S.C. 78s(b)(1) (1988).

I. Self-Regulatory Organizations' Statements of the Terms of Substance of the Proposed Rule Changes

PHILADEP and MSTC propose to make additions to their respective procedures² to enable their participants using the Institutional Delivery ("ID") system for generating confirmations for customer transactions to comply with certain disclosure requirements of Rule 10b-10 under the Act.³

II. Self-Regulatory Organizations' Statements of the Purpose of, and Statutory Basis for, the Proposed Rule Changes

In their filings with the Commission, PHILADEP and MSTC included statements concerning the purpose of and the basis for the proposed rule changes and discussed any comments they received on the proposed rule changes. The text of these statements may be examined at the places specified in Item IV below. PHILADEP and MSTC have prepared summaries, set forth in section (A), (B), and (C) below, of the most significant aspects of such statements.⁴

A. Self-Regulatory Organizations' Statements of the Purpose of, and the Statutory Basis for, the Proposed Rule Changes

In 1994, the Commission adopted amendments to Rule 10b-10.⁵ Subsequently, the Division of Market Regulation issued a no-action letter to the Public Securities Association ("PSA") on behalf of its members and all other brokers and dealers temporarily exempting them from certain disclosure requirements of paragraphs (a)(7), (a)(8), and (a)(9) of Rule 20b-10 until November 1, 1995.⁶

The purpose of these proposed rule changes is to enable PHILADEP and MSTC participants using the ID system for generating confirmations for customer transactions to comply with the following three disclosure requirements upon the expiration of the temporary exemption on November 1, 1995.

² While MSTC does not have specific written ID procedures, the MST System Flash newsletter is sent to MSTC participants to update them on, among other things, ID system changes. The newsletter is kept on record at MSTC and is used by MSTC as its participant procedures.

³ 27 CFR 240.10b-10 (1994).

⁴ The Commission has modified the text of the summaries prepared by PHILADEP and MSTC.

⁵ For a complete discussion of the amendments, refer to Securities Exchange Act Release No. 34962 (November 10, 1994), 59 FR 59612.
