Iroquois states that the purpose of the proposed changes is to establish a new park and loan service that would be performed by Iroquois under the proposed Rate Schedule PAL. PAL service will permit Iroquois customers to utilize Iroquois' lineup on an interruptible basis as a form of short-term storage. Iroquois states that this service is similar to other services which have been approved by the Commission in recent cases. See, e.g., *Pacific Gas Transmission Company*, 66 FERC ¶ 61,356 (1994); 68 FERC ¶ 61,197 (1994). In addition to the new rate schedule, the filing includes (i) numerous changes to the General Terms and Conditions of Iroquois' tariff to conform it to the new park and loan service, and (ii) a pro forma park and loan service contract. Iroquois states that copies of this filing were served upon all customers and interested state regulatory agencies. Any person desiring to be heard or to protest this filing should file a motion to intervene or protect with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**Mississippi River Transmission
Corporation; Notice of Filing**

December 6, 1995.

Take notice that on November 30, 1995, Mississippi River Transmission Corporation (MRT) submitted for filing worksheets reflecting the calculation of Miscellaneous Revenues in accordance with Section 18 of its FERC Gas Tariff, Third Revised Volume No. 1. MRT states that during the Miscellaneous Revenue Accumulation Periods contained in the filing its cashout costs exceeded cashout revenues and that no penalty charges were collected from affiliates, resulting in no Miscellaneous

Revenue Flowthrough Adjustment at this time.

MRT states that copies of its filing have been mailed to all of its affected customers and the State Commissions of Arkansas, Missouri and Illinois.

Any person desiring to be heard or to protest the subject filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214. Pursuant to Section 154.210 of the Commission's regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and available for public inspection.

**Mojave Pipeline Company; Notice of
Tariff Filing**

December 6, 1995.

Take notice that on December 1, 1995, Mojave Pipeline Company (Mojave) tendered for filing a notice of tariff filing concerning natural gas services proposed to be rendered pursuant to Mojave's FERC Gas Tariff, First Revised Volume No. 1. Mojave is tendering revised tariff sheets for filing and acceptance to become effective January 1, 1996.

Mojave states that its proposed Tariff Sheets implement two, new "Hub Series," including Authorized Loan Service under Rate Schedule ALS–1 and Authorized Parking Service under Rate Schedule APS–1, to be provided by Mojave pursuant to its blanket transportation certificate under Part 284 of the Commission's Regulations. In addition, Mojave states that its filing includes modifications to the Operating Tolerances provisions set forth in Section 20 of the General Terms and Conditions of its tariff which provide for Imbalance Trading as a further operational accommodation available to firm and interruptible shippers on Mojave's system. Mojave proposes to
