SUPPLEMENTARY INFORMATION: ONDCP hereby announces its policies and application procedures for funds available under Public Law 102-393 to state and local drug control entities for drug control activities consistent with the approved strategy for each HIDTA.

Eligible Applicants

Public Law 100-690, Nov. 18, 1988, authorized the Director of ONDCP to designate areas meeting certain criteria as HIDTAs. Houston, Los Angeles, Miami, New York and the Southwest Border were so designated as part of the 1990 National Drug Control Strategy. In 1994 Washington/Baltimore and Puerto Rico/Virgin Islands were also designated. Chicago, Atlanta and Philadelphia/Camden were designated Empowerment HIDTAs in 1995. Federal, State and local law enforcement agencies located within the specific geographical areas outlined in the National Drug Control Strategy are eligible to apply for funds under this notice.

Program Objective

The goal of the HIDTA program is to reduce drug trafficking. The primary objective is to severely disrupt and dismantle drug and money laundering organizations operating in and through the HIDTAs. In concert with Federally led HIDTA initiatives, State and local proposals focus on joint local, State and Federal law enforcement efforts that target major drug organizations that support the international organizations and cartels. Funds must be used strictly for implementing an approved joint HIDTA strategy. The funds cannot be used to supplant existing support for ongoing State or local drug control operations, which should be funded out of the agencies' normal operating budgets.

Available Funds

At least \$55.0 million is available for State and local participation in the HIDTAs.

Application Procedures

Each applicant must submit a written joint proposal and cooperative agreement application to the HIDTA Director in the respective HIDTA. A majority, if not all, of the transfers may be in the form of cooperative agreements. The proposals must include a written statement of the purpose, scope and measurable objective of the initiative; a narrative of the implementation plan; administrative
