

Community Development Act of 1992 (Pub. L. 102-550, approved Oct. 28, 1992). Section 132 establishes a demonstration program to facilitate self-sufficiency and to permit the homeownership sale of single family homes administered by the Housing Authority of the City of Omaha in the State of Nebraska. The purpose of the demonstration is to exhibit the effectiveness of promoting homeownership and providing support services.

This document corrects § 907.8(d) of that final rule, to include certain amendatory language that was described in the preamble to the final rule, but inadvertently omitted from the rule text. On page 4345 of the final rule (60 FR 4345), in paragraph II.2., in the second column, the preamble states: "Additionally, in response to the Housing Authority's comment above, the final rule includes as eligible homebuyers both current residents and applicants for public housing. Since HUD has changed the rule in this manner, the Housing Authority must comply with §§ 907.7(b), 907.8(d), and 907.20(n)." However, while the preamble indicated that § 907.8(d) would be amended to recognize that applicants for public housing could also be eligible homebuyers, this amendment was inadvertently omitted from the rule text.

Accordingly, FR Doc. 95-1414, a final rule published in the **Federal Register** on January 20, 1995 (60 FR 4344) is corrected to read as follows:

1. Section 907.8 is corrected by revising the second sentence in paragraph (d) to read as follows:

§ 907.8 Purchaser eligibility and selection.

(d) *Procedures/Affirmative Fair Housing Marketing Strategy.* * * * The Housing Authority must have an affirmative fair housing marketing strategy that applies to all transactions undertaken through this program and that stresses equal access to the program for both current residents and applicants for public housing. * * *

I. Background on the Indiana Program

On July 29, 1982, the Indiana program was made effective by the conditional approval of the Secretary of the Interior. Information pertinent to the general background on the Indiana program, including the Secretary's findings, the disposition of comments, and a detailed explanation of the conditions of approval of the Indiana program can be found in the July 26, 1982 **Federal Register** (47 FR 32107). Subsequent actions concerning the conditions of approval and program amendments are identified at 30 CFR 914.10, 914.15, and 914.16.

II. Submission of the Amendment

By letter dated September 26, 1994 (Administrative Record No. IND-1400), Indiana submitted program amendment No. 94-4 concerning miscellaneous revisions to the Indiana rules to eliminate typographical, clerical, and spelling errors and to amend those instances where the word "commission" should be changed to "director" in accordance with Indiana SEA 362. OSM approved SEA 362 as a program amendment on August 2, 1991 (56 FR 37016).

OSM announced receipt of the proposed amendment in the October 20, 1994, **Federal Register** (59 FR 52941), and, in the same notice, opened the public comment period and provided opportunity for a public hearing on the adequacy of the proposed amendment. The comment period closed on November 21, 1994.

III. Director's Findings

Set forth below, pursuant to SMCRA and the Federal regulations at 30 CFR 732.15 and 732.17, are the Director's findings concerning the proposed amendment to the Indiana program.

In amendment No. 94-4, Indiana corrected numerous typographical, clerical, or spelling errors and made numerous changes from the word "commission" to "director." The Director finds that the numerous typographical, clerical, and spelling changes are nonsubstantive changes or changes which improve the clarity or accuracy of the Indiana rules.

The Director finds that the changes from "commission" to "director" more accurately reflect the responsibilities within the Indiana program as provided by SEA 362 which was approved by OSM on August 2, 1991 (56 FR 37016), and that the changes do not render the Indiana program less effective than Federal regulations.
