

*Proprietary Information*

If the initial or supplementary expression of interest contains information that is privileged or confidential and which the respondent does not want disclosed to the public, the respondent should place the following notice on the expression of interest:

The information contained in pages \_\_\_\_\_ of this Expression of Interest has been submitted in confidence and contains trade secrets or commercial or financial information that is confidential or privileged, and such information should be used or disclosed by the Government or its contractors, only for purposes of consideration of this Expression of Interest. This restriction does not limit the Government's right to use or disclose other information obtained without proprietary restrictions from any source, including other information provided by the respondent.

*Submission*

Each submittal should consist of one original and five (5) photocopies. DOE

is under no obligation to pay for any costs associated with the preparation or submission of expressions of interest in response to this Notice. DOE reserves the right to respond, or not respond to all or any portion of any expression of interest submitted in response to this Notice. DOE intends to conduct a public meeting regarding this notice 30 days from the date of its publication. Following receipt of initial or supplementary responses, DOE may also conduct one or more scoping meetings with all respondents to disseminate additional information on this effort, and may also conduct meetings with individual respondents for clarification of their responses or to obtain additional information.

Issued in Washington, D.C. on December 5, 1995.

Hazel R. O'Leary,  
*Secretary.*
