

be a program which is subject to the provisions of Executive Order 12372 concerning intergovernmental review of federal programs by appropriate health planning agencies as implemented by 45 CFR part 100. Executive Order 12372 allows States the option of setting up a system for reviewing applications from within their states for assistance under certain Federal programs. Applicants (other than federally-recognized Indian tribal governments) should contact their state Single Point of Contact (SPOCs), a list of which will be included in the application kit, as early as possible to alert them to the prospective applications and receive any necessary instructions on the State process. For proposed projects serving more than one state, the applicant is advised to contact the SPOC of each affected State. All SPOC recommendations should be submitted to Harriet Green, Office of Grants Management, Bureau of Primary Health Care, 4350 East West Highway, 11th Floor, Bethesda, Maryland 20814, (301) 594-4260. The due date for state process recommendations is 60 days after the application deadline (May 15, 1996) for competing applications. The granting agency does not guarantee to "accommodate or explain" state process recommendations it receives after that date. (See Part 148 of the PHS Grants Administration Manual, Intergovernmental Review of PHS Programs under Executive Order 12372 and 45 CFR Part 100 for a description of the review process and requirements.	<i>Baldwin</i>	0071
