

Multi-product brochures must contain complete WPS product labeling information for all products that are within scope of the WPS for the registrant, a contact phone number for the registrant, and no information unrelated to the products' labeling. If a brochure includes multiple products with similar names (e.g., Weed Killer 4EC, Weed Killer 10WP), the brochure must contain an advisory statement located near such a grouping reminding users to carefully match the WPS requirements in the brochure with the particular product they are using. This option is *not* available for fumigant products. An example of a multi-product brochure is provided.

MULTI-PRODUCT, PRODUCT-SPECIFIC
(Example)

“Supplemental Labeling With Worker Protection Requirements”

For compliance with the Worker Protection Standard (40 CFR Part 170):

Important: This supplemental labeling does not apply (1) to soil or space fumigant products, (2) to products containing ethyl parathion, or (3) if elsewhere on the product labeling an Agricultural Use Requirements box requires compliance with the Worker Protection Standard (40 CFR Part 170).

When this product is used on an agricultural establishment (farm, forest,

nursery, or greenhouse) for the commercial or research production of agricultural plants, users must comply with the instructions in this supplemental labeling. Users who must comply with these instructions *include* owners/operators of the agricultural establishment and owners/operators of commercial businesses that are hired to apply pesticides on the agricultural establishment or to perform crop-advising tasks on such establishments. Failure to comply with the requirements on this supplemental labeling and with the Worker Protection Standard (40 CFR Part 170) is a violation of Federal law, since it is illegal to use a pesticide product in a manner inconsistent with its labeling.

WPS Product Summary for Company XYZ:

Advisory: Similar names. Match WPS requirements carefully with products.	Weed Killer 10 G Granules	Weed Killer 10 WP	Weed/Insect Killer Super 8EC
