

bills reflect the actual activity conducted during the prior month. Previously, GSCC billed each member at the beginning of a particular month for the member's anticipated business during that month. GSCC would adjust the next month's bill to reflect the actual business conducted by the member during the previous month. Under the proposal, GSCC will bill members each month for the activity during the prior month. To implement this billing method, in December 1994 GSCC will credit to each member one month's pre-billing of fees and other charges. Beginning in January 1995, the change in the billing method will result in GSCC billing members for actual activity conducted during the prior month (*i.e.*, during December 1994).

(B) Self-Regulatory Organization's Statement on Burden on Competition

GSCC does not believe that the proposed rule change will have an impact or impose a burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

GSCC has not solicited or received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)² of the Act and pursuant to Rule 19b-4(e)(3)³ promulgated thereunder, because the proposal is concerned solely with the administration of GSCC. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.
