received by *S* in the reorganization. *P* is then treated as if it transferred the *T* stock to *S* in a transaction in which *P*'s basis in the *S* stock was determined under section 358. Under section 358, *P*'s basis in its *S* stock would be increased by the $85 basis in the *T* stock deemed transferred. Consequently, *P* has a $90 basis in its *S* stock as a result of the reorganization.

(d) *Special rule for consideration not provided by P*—(1) *In general.* The amount of *P*'s adjustment to basis in its *S* or *T* stock, as applicable, described in paragraph (c) of this section is decreased by the fair market value of any consideration (including *P* stock in which gain or loss is recognized, see § 1.1032–2(c)) that is exchanged in the reorganization and that is not provided by *P* pursuant to the plan of reorganization. This paragraph (d) does not apply to the amount of *T* liabilities assumed by *S* or to which the *T* assets acquired by *S* are subject under paragraph (c)(1) of this section (or deemed assumed or taken subject to by *S* under paragraph (c)(2)(i) of this section).

(2) *Limitation. P* makes no adjustment to basis under this section if the decrease required under paragraph (d)(1) of this section equals or exceeds the amount of the adjustment described in paragraph (c) of this section.

(3) *Example.* The rules of this paragraph (d) are illustrated by the following example. For purposes of this example, *P, S,* AND *T* are domestic corporations, *P* and *S* do not file consolidated returns, *P* owns all of the only class of *S* stock, the *P* stock exchanged in the transaction satisfies the requirements of the applicable triangular reorganization provisions, and the facts set forth the only corporate activity.

Example. (a) *Facts. T* has assets with an aggregate basis of $60 and fair market value of $100 and no liabilities. *S* is an operating company with substantial assets that has been in existence for several years. *P* has a $100 basis in its *S* stock. Pursuant to a plan, *T* merges into *S* and the *T* shareholders receive $70 of *P* stock provided by *P* pursuant to the plan and $30 of cash provided by *S* in exchange for their *T* stock. The transaction is a reorganization to which sections 368(a)(1)(A) and (a)(2)(D) apply.

(b) *Basis adjustment.* Under § 1.358–6(c)(1), *P*'s $100 basis in its *S* stock is increased by the $60 basis in the *T* assets deemed transferred. Under § 1.358–6(d)(1), the $60 adjustment is decreased by the $30 of cash provided by *S* in the reorganization. Consequently, *P* has a net adjustment of $30 in its *S* stock, and *P* has a $130 basis in its *S* stock as a result of the reorganization.

(c) *Appreciated asset.* The facts are the same as in paragraph (a) of this *Example,* except that in the reorganization *S* provides an asset with a $20 adjusted basis and $30 fair market value instead of $30 of cash. The basis results are the same as in paragraph (b) of this *Example.* In addition, *S* recognizes $10 of gain under section 1001 on its disposition of the asset in the reorganization.

(d) *Depreciated asset.* The facts are the same as in paragraph (c) of this *Example,* except that *S* has a $60 adjusted basis in the asset. The basis results are the same as in paragraph (b) of this *Example.* In addition, *S* recognizes $30 of loss under section 1001 on its disposition of the asset in the reorganization.

(e) *P stock.* The facts are the same as in paragraph (a) of this *Example,* except that in the reorganization *S* provides *P* stock with a fair market value of $30 instead of $30 of cash. *S* acquired the *P* stock in an unrelated transaction several years before the reorganization. *S* has a $20 adjusted basis in the *P* stock. The basis results are the same as in paragraph (b) of this *Example.* In addition, *S* recognizes $10 of gain on its disposition of the *P* stock in the reorganization. See § 1.1032–2(c).

(e) *Cross-reference.* For rules relating to stock basis adjustments made as a result of a triangular reorganization in which *P* and *S*, or *P* and *T*, as applicable, are, or become, members of a consolidated group, see § 1.1502–30. For rules relating to stock basis adjustments after a group structure change, see § 1.1502–31.

(f) *Effective dates*—(1) *General rule.* Except as otherwise provided in this paragraph (f), this section applies to triangular reorganizations occurring on or after December 23, 1994.

(2) *Special rule for reverse triangular mergers.* For a reverse triangular merger occurring before December 23, 1994, *P* may—

(i) Determine the basis in its *T* stock as if paragraph (c)(2)(i) of this section applied; or

(ii) Determine the basis in its *T* stock acquired as if *P* acquired such stock from the former *T* shareholders in a transaction in which *P*'s basis in the *T* stock was determined under section 362(b).

Par. 4. Section 1.1032–2 is added to read as follows:

§ 1.1032–2 Disposition by a corporation of stock of a controlling corporation in certain triangular reorganizations.

(a) *Scope.* This section provides rules for certain triangular reorganizations described in § 1.358–6(b) when the acquiring corporation (*S*) acquires property or stock of another corporation (*T*) in exchange for stock of the corporation (*P*) in control of *S*.

(b) *General nonrecognition of gain or loss.* For purposes of § 1.1032–1(a), in the case of a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358–6(b)), *P* stock provided by *P* to *S*, or directly to *T* or *T*'s shareholders on behalf of *S*, pursuant to the plan of reorganization is treated as a disposition by *P* of shares of its own stock for *T*'s assets or stock, as applicable. For rules governing the use of *P* stock in a reverse triangular merger, see section 361.

(c) *Treatment of S. S* must recognize gain or loss on its exchange of *P* stock as consideration in a forward triangular merger, a triangular C reorganization, or a triangular B reorganization (as described in § 1.358–6(b)), if *S* did not receive the *P* stock from *P* pursuant to the plan of reorganization. See § 1.358–6(d) for the effect on *P*'s basis in its *S* or *T* stock, as applicable. For rules governing *S*'s use of *P* stock in a reverse triangular merger, see section 361.

(d) *Examples.* The rules of this section are illustrated by the following examples. For purposes of these examples, *P, S,* and *T* are domestic corporations, *P* and *S* do not file consolidated returns, *P* owns all of the only class of *S* stock, the *P* stock exchanged in the transaction satisfies the requirements of the applicable reorganization provisions, and the facts set forth the only corporate activity.

Example 1. Forward triangular merger solely for P stock. (a) *Facts. T* has assets with an aggregate basis of $60 and fair market value of $100 and no liabilities. Pursuant to a plan, *P* forms *S* by transferring $100 of *P* stock to *S* and *T* merges into *S*. In the merger, the *T* shareholders receive, in exchange for their *T* stock, the *P* stock that *P* transferred to *S*. The transaction is a reorganization to which sections 368(a)(1)(A) and (a)(2)(D) apply.

(b) *No gain or loss recognized on the use of P stock.* Under paragraph (b) of this section, the *P* stock provided by *P* pursuant to the plan of reorganization is treated for purposes of § 1.1032–1(a) as disposed of by *P* for the *T* assets acquired by *S* in the merger. Consequently, neither *P* nor *S* has taxable gain or deductible loss on the exchange.

Example 2. Forward triangular merger solely for P stock provided in part by S. (a) *Facts. T* has assets with an aggregate basis of $60 and fair market value of $100 and no liabilities. *S* is an operating company with substantial assets that has been in existence for several years. *S* also owns *P* stock with a $20 adjusted basis and $30 fair market value. *S* acquired the *P* stock in an unrelated transaction several years before the reorganization. Pursuant to a plan, *P* transfers additional *P* stock worth $70 to *S* and *T* merges into *S*. In the merger, the *T* shareholders receive $100 of *P* stock ($70 of *P* stock provided by *P* to *S* as part of the plan and $30 of *P* stock held by *S* previously). The transaction is a reorganization to which sections 368(a)(1)(A) and (a)(2)(D) apply.

(b) *Gain or loss recognized by S on the use of its P* stock. Under paragraph (b) of this section, the $70 of *P* stock provided by *P* pursuant to the plan of reorganization is treated as disposed of by *P* for the *T* assets
