

Penalties, Reporting and recordkeeping requirements.

26 CFR Part 602

Reporting and recordkeeping requirements.

Adoption of Amendments to the Regulations

Accordingly, 26 CFR parts 1, 25, 301, and 602 are amended as follows:

PART 1—INCOME TAXES

Paragraph 1. The authority citation for part 1 continues to read in part as follows:

Authority: 26 U.S.C. 7805. * * *

Par. 2. Section 1.671-4 is revised to read as follows:

§ 1.671-4 Method of reporting.

(a) *Portion of trust treated as owned by the grantor or another person.* Except as otherwise provided in paragraph (b) of this section, items of income, deduction, and credit attributable to any portion of a trust which, under the provisions of subpart E (section 671 and following), part I, subchapter J, chapter 1 of the Internal Revenue Code, is treated as owned by the grantor or another person are not reported by the trust on Form 1041, but are shown on a separate statement to be attached to that form.

(b) *A trust all of which is treated as owned by one or more grantors or other persons—*(1) *In general.* In the case of a trust all of which is treated as owned by one or more grantors or other persons, and which is not described in paragraph (b)(6) or (7) of this section, the trustee may, but is not required to, report by one of the methods described in this paragraph (b) rather than by the method described in paragraph (a) of this section. A trustee may not report, however, pursuant to paragraph (b)(2)(i)(A) of this section unless the grantor or other person treated as the owner of the trust provides to the trustee a complete Form W-9 or acceptable substitute Form W-9 signed under penalties of perjury. See section 3406 and the regulations thereunder for the information to include on, and the manner of executing, the Form W-9, depending upon the type of reportable payments made.

(2) *A trust all of which is treated as owned by one grantor or by one other person—*(i) *In general.* In the case of a trust all of which is treated as owned by one grantor or one other person, the trustee reporting under this paragraph (b) must either—

(A) Furnish the name and taxpayer identification number (TIN) of the

grantor or other person treated as the owner of the trust, and the address of the trust, to all payors during the taxable year, and comply with the additional requirements described in paragraph (b)(2)(ii) of this section; or

(B) Furnish the name, TIN, and address of the trust to all payors during the taxable year, and comply with the additional requirements described in paragraph (b)(2)(iii) of this section.

(ii) *Additional obligations of the trustee when name and TIN of the grantor or other person treated as the owner of the trust and the address of the trust are furnished to payors.* (A) Unless the grantor or other person treated as the owner of the trust is the trustee or a co-trustee of the trust, the trustee must furnish the grantor or other person treated as the owner of the trust with a statement that—

(1) Shows all items of income, deduction, and credit of the trust for the taxable year;

(2) Identifies the payor of each item of income;

(3) Provides the grantor or other person treated as the owner of the trust with the information necessary to take the items into account in computing the grantor's or other person's taxable income; and

(4) Informs the grantor or other person treated as the owner of the trust that the items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on the income tax return of the grantor or other person.

(B) The trustee is not required to file any type of return with the Internal Revenue Service.

(iii) *Additional obligations of the trustee when name, TIN, and address of the trust are furnished to payors—*(A) *Obligation to file Forms 1099.* The trustee must file with the Internal Revenue Service the appropriate Forms 1099, reporting the income or gross proceeds paid to the trust during the taxable year, and showing the trust as the payor and the grantor or other person treated as the owner of the trust as the payee. The trustee has the same obligations for filing the appropriate Forms 1099 as would a payor making reportable payments, except that the trustee must report each type of income in the aggregate, and each item of gross proceeds separately. See paragraph (b)(5) of this section regarding the amounts required to be included on any Forms 1099 filed by the trustee.

(B) *Obligation to furnish statement.*

(1) Unless the grantor or other person treated as the owner of the trust is the

trustee or a co-trustee of the trust, the trustee must also furnish to the grantor or other person treated as the owner of the trust a statement that—

(i) Shows all items of income, deduction, and credit of the trust for the taxable year;

(ii) Provides the grantor or other person treated as the owner of the trust with the information necessary to take the items into account in computing the grantor's or other person's taxable income; and

(iii) Informs the grantor or other person treated as the owner of the trust that the items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on the income tax return of the grantor or other person.

(2) By furnishing the statement, the trustee satisfies the obligation to furnish statements to recipients with respect to the Forms 1099 filed by the trustee.

(iv) *Examples.* The following examples illustrate the provisions of this paragraph (b)(2):

Example 1. G, a United States citizen, creates an irrevocable trust which provides that the ordinary income is to be payable to him for life and that on his death the corpus shall be distributed to B, an unrelated person. Except for the right to receive income, G retains no right or power which would cause him to be treated as an owner under sections 671 through 679. Under the applicable local law, capital gains must be added to corpus. Since G has a right to receive income, he is treated as an owner of a portion of the trust under section 677. The tax consequences of any items of capital gain of the trust are governed by the provisions of subparts A, B, C, and D (section 641 and following), part I, subchapter J, chapter 1 of the Internal Revenue Code. Because not all of the trust is treated as owned by the grantor or another person, the trustee may not report by the methods described in paragraph (b)(2) of this section.

Example 2. (i)(A) On January 2, 1996, G, a United States citizen, creates a trust all of which is treated as owned by G. The trustee of the trust is T. During the 1996 taxable year the trust has the following items of income and gross proceeds:

Interest.....	\$2,500
Dividends.....	3,205
Proceeds from sale of B stock.....	2,000

(B) The trust has no items of deduction or credit.

(ii)(A) The payors of the interest paid to the trust are X (\$2,000), Y (\$300), and Z (\$200). The payors of the dividends paid to the trust are A (\$3,200), and D (\$5). The payor of the gross proceeds paid to the trust is D, a brokerage firm, which held the B stock as the nominee for the trust. The B stock was purchased by T for \$1,500 on January 3, 1996, and sold by T on November 29, 1996. T chooses to report pursuant to paragraph
