

(b)(2)(i)(B) of this section, and therefore furnishes the name, TIN, and address of the trust to X, Y, Z, A, and D. X, Y, and Z each furnish T with a Form 1099-INT showing the trust as the payee. A furnishes T with a Form 1099-DIV showing the trust as the payee. D does not furnish T with a Form 1099-DIV because D paid a dividend of less than \$10 to T. D furnishes T with a Form 1099-B showing the trust as the payee.

(B) On or before February 28, 1997, T files a Form 1099-INT with the Internal Revenue Service on which T reports interest attributable to G, as the owner of the trust, of \$2,500; a Form 1099-DIV on which T reports dividends attributable to G, as the owner of the trust, of \$3,205; and a Form 1099-B on which T reports gross proceeds from the sale of B stock attributable to G, as the owner of the trust, of \$2,000. On or before April 15, 1997, T furnishes a statement to G which lists the following items of income and information necessary for G to take the items into account in computing G's taxable income:

Interest.....	\$2,500
Dividends.....	3,205
Gain from sale of B stock.....	500
Information regarding sale of B stock:	
Proceeds.....	\$2,000
Basis.....	1,500
Date acquired.....	1/03/96
Date sold.....	11/29/96

(C) T informs G that any items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on the income tax return of the grantor or other person.

(D) T has complied with T's obligations under this section.

(iii)(A) Same facts as paragraphs (i) and (ii) of this *Example 2*, except that G contributed the B stock to the trust on January 2, 1996. On or before April 15, 1997, T furnishes a statement to G which lists the following items of income and information necessary for G to take the items into account in computing G's taxable income:

Interest.....	\$2,500
Dividends.....	3,205
Information regarding sale of B stock:	
Proceeds.....	\$2,000
Date sold.....	11/29/96

(B) T informs G that any items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on the income tax return of the grantor or other person.

(C) T has complied with T's obligations under this section.

**Example 3.** On January 2, 1996, G, a United States citizen, creates a trust all of which is treated as owned by G. The trustee of the trust is T. The only asset of the trust is an interest in C, a common trust fund under section 584(a). T chooses to report pursuant to paragraph (b)(2)(i)(B) of this section and therefore furnishes the name, TIN, and address of the trust to C. C files a Form 1065 and a Schedule K-1 (Partner's Share of Income, Credits, Deductions, etc.) showing the name, TIN, and address of the trust with the Internal Revenue Service and furnishes a

copy to T. Because the trust did not receive any amounts described in paragraph (b)(5) of this section, T does not file any type of return with the Internal Revenue Service. On or before April 15, 1997, T furnishes G with a statement that shows all items of income, deduction, and credit of the trust for the 1996 taxable year. In addition, T informs G that any items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on the income tax return of the grantor or other person. T has complied with T's obligations under this section.

(3) *A trust all of which is treated as owned by two or more grantors or other persons—(i) In general.* In the case of a trust all of which is treated as owned by two or more grantors or other persons, the trustee must furnish the name, TIN, and address of the trust to all payors for the taxable year, and comply with the additional requirements described in paragraph (b)(3)(ii) of this section.

(ii) *Additional obligations of trustee—(A) Obligation to file Forms 1099.* The trustee must file with the Internal Revenue Service the appropriate Forms 1099, reporting the items of income paid to the trust by all payors during the taxable year attributable to the portion of the trust treated as owned by each grantor or other person, and showing the trust as the payor and each grantor or other person treated as an owner of the trust as the payee. The trustee has the same obligations for filing the appropriate Forms 1099 as would a payor making reportable payments, except that the trustee must report each type of income in the aggregate, and each item of gross proceeds separately. See paragraph (b)(5) of this section regarding the amounts required to be included on any Forms 1099 filed by the trustee.

(B) *Obligation to furnish statement.* (1) The trustee must also furnish to each grantor or other person treated as an owner of the trust a statement that—

(i) Shows all items of income, deduction, and credit of the trust for the taxable year attributable to the portion of the trust treated as owned by the grantor or other person;

(ii) Provides the grantor or other person treated as an owner of the trust with the information necessary to take the items into account in computing the grantor's or other person's taxable income; and

(iii) Informs the grantor or other person treated as the owner of the trust that the items of income, deduction and credit and other information shown on the statement must be included in computing the taxable income and credits of the grantor or other person on

the income tax return of the grantor or other person.

(2) Except for the requirements pursuant to section 3406 and the regulations thereunder, by furnishing the statement, the trustee satisfies the obligation to furnish statements to recipients with respect to the Forms 1099 filed by the trustee.

(4) *Persons treated as payors—(i) In general.* For purposes of this section, the term payor means any person who is required by any provision of the Internal Revenue Code and the regulations thereunder to make any type of information return (including Form 1099 or Schedule K-1) with respect to the trust for the taxable year, including persons who make payments to the trust or who collect (or otherwise act as middlemen with respect to) payments on behalf of the trust.

(ii) *Application to brokers and customers.* For purposes of this section, a broker, within the meaning of section 6045, is considered a payor. A customer, within the meaning of section 6045, is considered a payee.

(5) *Amounts required to be included on Forms 1099 filed by the trustee—(i) In general.* The amounts that must be included on any Forms 1099 required to be filed by the trustee pursuant to this section do not include any amounts that are reportable by the payor on an information return other than Form 1099. For example, in the case of a trust which owns an interest in a partnership, the trust's distributive share of the income and gain of the partnership is not includible on any Forms 1099 filed by the trustee pursuant to this section because the distributive share is reportable by the partnership on Schedule K-1.

(ii) *Example.* The following example illustrates the provisions of this paragraph (b)(5):

**Example.** (i)(A) On January 2, 1996, G, a United States citizen, creates a trust all of which is treated as owned by G. The trustee of the trust is T. The assets of the trust during the 1996 taxable year are shares of stock in X, an S corporation, a limited partnership interest in P, shares of stock in M, and shares of stock in N. T chooses to report pursuant to paragraph (b)(2)(i)(B) of this section and therefore furnishes the name, TIN, and address of the trust to X, P, M, and N. M furnishes T with a Form 1099-DIV showing the trust as the payee. N does not furnish T with a Form 1099-DIV because N paid a dividend of less than \$10 to T. X and P furnish T with Schedule K-1 (Shareholder's Share of Income, Credits, Deductions, etc.) and Schedule K-1 (Partner's Share of Income, Credits, Deductions, etc.), respectively, showing the trust's name, TIN, and address.

(B) For the 1996 taxable year the trust has the following items of income and deduction:
