

the Director of the Office of Pipeline Regulation. The cost limits for calendar years 1982 through 1995, as published in Table I of § 157.208(d) and Table II of § 157.215(a), are hereby issued.

Note that these inflation adjustments are based on the Gross Domestic Product (GDP) Implicit Price Deflator rather than the Gross National Product (GNP) Implicit Price Deflator, which is not yet available for 1994. The Commerce Department advises that in recent years the annual change has been virtually the same for both indices. Further adjustments will be made, if necessary.

RIN 1215-AA85

The Family and Medical Leave Act of 1993; Deferral of Effective Date of Regulations

AGENCY: Wage and Hour Division, Labor.

ACTION: Deferral of effective date of regulations.

SUMMARY: This document defers the effective date, from February 6, 1995, to April 6, 1995, of Labor Department regulations implementing the Family and Medical Leave Act of 1993, 29 CFR Part 825, which were published in the **Federal Register** Friday, January 6, 1995 (60 FR 2180). This action is taken in order to provide the public additional time to implement the final regulations, including, where appropriate, to revise policies and procedures.

EFFECTIVE DATE: This document is effective February 3, 1995. The effective date of the final Family and Medical Leave Act regulations published in the **Federal Register** on January 6, 1995 (60 FR 2180), is hereby deferred until April 6, 1995.

FOR FURTHER INFORMATION CONTACT: J. Dean Speer, Division of Policy and Analysis, Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Room S-3506, 200 Constitution Avenue NW., Washington, DC 20210; telephone (202) 219-8412. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: Final regulations implementing the Family and Medical Leave Act of 1993 (FMLA), 29 U.S.C. 2601 *et seq.*, were published in the **Federal Register** on January 6, 1995, with an effective date of February 6, 1995 (see 60 FR 2180). In response to requests that the Department of Labor provide additional time to enable employers and other members of the public to comply with their new responsibilities and to implement revised policies and procedures consistent with the final regulations, the Department is deferring, from February 6, 1995, until April 6, 1995, the effective date of the final Family and Medical Leave Act regulations published on January 6, 1995.

Because these rules are scheduled to become effective very shortly, notice and public comment on this change of effective date is impracticable, unnecessary and contrary to the public interest, and good cause exists for making this deferral effective immediately.
