Northern Natural Gas Co., Notice of Proposed Changes in FERC Gas Tariff

February 1, 1995.

Take notice that on January 27, 1995, Northern Natural Gas Company (Northern), tendered for filing, under Section 4 of the Natural Gas Act (NGA), notice of the termination of gathering services offered over facilities located in Crockett County, Texas, effective February 28, 1995. Northern states that on December 19, 1994, the Commission authorized it to abandon, by sale to Peach Ridge Pipeline, Inc. (Peach Ridge), the Crockett County facilities, and declared that these facilities, once acquired by Peach Ridge, would be exempt from Commission regulation under Section 1(b) of the NGA (69 FERC ¶61,354 (1994)). Northern states it was directed to make the instant filing by the December 19, 1994 order.

Northern states that it is abandoning the facilities because, as a result of restructuring under Order No. 636, Northern no longer has a merchant function and does not require these facilities to access supplies to fulfill customer obligations. Regarding twelve customers who received gathering service over the Crockett County facilities (listed in the filing), Northern states they have been mailed the instant notice of termination of services, and that notice of the deletion of receipt and delivery points on the Crockett County facilities has been posted on Northern's Electronic Bulletin Board. Finally, Northern has listed those customers which have entered into private contracts for continued service with Peach Ridge. Although not all of the twelve customers have entered into such contracts, Northern states there were no outstanding protests in the abandonment proceeding; thus Northern is not required to file a default contract.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Section 385.214 and 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 8, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Northwest Pipeline Corp., Notice of Proposed Changes in FERC Gas Tariff

February 1, 1995.

Take notice that on January 30, 1995, Northwest Pipeline Corporation (Northwest), tendered for filing and acceptance as part of its FERC Gas Tariff the following tariff sheets with a proposed effective date of March 2, 1995:

Third Revised Volume No. 1
Second Revised Sheet No. 1
First Revised Sheet No. 2
Second Revised Sheet No. 15
Sheet Nos. 122 through 124
Sheet Nos. 126 through 199
First Revised Sheet No. 219
Original Sheet Nos. 363 through 366
Sheet Nos. 367 through 374.

Northwest states that the purpose of this filing is to implement a tariff provision that will allow Northwest to sell (i) gas that becomes the property of Northwest pursuant to the provisions of terminated transportation or storage agreements or due to tariff provisions relating to interruptible storage or shipper imbalances; and (ii) other de minimus volumes of gas as the need arises.

Northwest is also requesting limited waiver of the Commission's conduct and reporting regulations in Order No. 497 in regard to the occasional sale of insignificant amounts of gas.

Northwest states that a copy of this filing has been served upon Northwest's jurisdictional customers and relevant state regulatory commissions.

Any person desiring to be heard or protest said filing should file a motion
