The Exchange proposes to assign any municipal security it lists to a specialist² and to trade municipal securities in accordance with all PHLX regulations otherwise applicable to the trading of securities on the equities trading floor of the Exchange, except that pursuant to proposed PHLX Rule 132(d)(17) municipal securities shall be exempt from the provisions of the Exchange's off-board trading rule. Under proposed PHLX Rule 309, municipal securities will be compared, settled and cleared in accordance with the applicable regulations of the MSRB. The PHLX believes that Exchange listing of municipal securities will allow public investors to have an alternative to the over-the-counter market to trade municipal debt securities.

The PHLX states that the proposed rule change is based on Section 6(b)(5) of the Act in that it is designed to further promote the mechanism of a free and open market and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The PHLX does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Philadelphia Stock Exchange, Inc., Relating to Floor Procedure Advice F-8, Failure To Comply With an Exchange Inquiry

January 31, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is hereby given that on November 21, 1994, the Philadelphia Stock Exchange, Inc. ("PHLX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission")

the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization.¹ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Currently, Advice F-8 requires Exchange members to comply promptly with any request for information made by the Exchange's Market Surveillance Department in connection with any investigation within the Exchange's disciplinary jurisdiction. The Exchange proposes to amend Advice F-8 to require members to comply with Exchange requests for information in connection with any regulatory inquiry, investigation, or examination relating to the Exchange's disciplinary jurisdiction or regulatory obligations. The PHLX also proposes to amend the Advice to require that information requested by the Exchange's Examinations Department be received within two business days from the date of the original request in order to satisfy the prompt compliance requirement of Advice F-8. Finally, the PHLX proposes to amend Advice F-8 to reduce the fine for a first violation of the Advice from \$500 to \$200, and to provide that each additional request for information not furnished within the allotted time period may be considered as a separate occurrence for purposes of the Advice's fine schedule.² The text of

¹ On November 30, 1994, the PHLX amended its proposal to clarify that the proposed two-day period for compliance with Exchange Examinations Department requests would apply, for example, to requests for books and records, rather than to requests for financial information, which are governed by PHLX Rule 703(e). See Letter from Edith Hallahan, Special Counsel, PHLX, to Michael Walinskas, Branch Chief, Office of Market Supervision ("OMS"), Division of Market Regulation ("Division"), Commission, dated November 30, 1994 ("November 30 Letter"). On January 31, 1995, the PHLX amended its proposal to delete references to foreign currency option ("FCO") participants and participant organizations in Floor Procedure Advice ("Advice") F-8, "Failure to Comply with an Exchange Inquiry." See Letter from Edith Hallahan, Special Counsel, Regulatory Services, PHLX, to Michael Walinskas, Branch Chief, OMS, Division, Commission, dated January 30, 1995 ("January 30 Letter"). However, Advice F-8 continues to apply to FCO participants and participant organizations. Specifically, the PHLX notes in its January 30 Letter that PHLX Rule 13, "Foreign Currency Options Participant" provides that FCO participants are subject to the provisions of the Exchange's rules that are applicable to a member of the Exchange and each reference to a member of the Exchange in the PHLX's rules is deemed to pertain also to FCO participants.

² Under the Advice F-8's fine schedule, as amended, the Exchange will impose a fine of \$200 for the first occurrence, \$1,000 for the second occurrence, \$2,500 for the third occurrence, and a

¹ Although the PHLX believes that proposed PHLX Rule 810(d) will apply primarily to municipal securities, it may also apply to the debt of issuers whose equities are not listed on the Exchange. ² In this regard, the Exchange intends to require specialist units applying for appointment and registration in municipal securities to be in compliance with the Municipal Securities Rulemaking Board ("MSRB") G-3 regulations regarding municipal securities principals and representatives. The National Association of Securities Dealers ("NASD") has authority to enforce MSRB rules for listed municipal securities. The PHLX enforcement in this regard will not preempt or limit in any manner the NASD's authority to act in this area.
