## COMMODITY FUTURES TRADING COMMISSION

### 17 CFR Part 1

### Early Warning Reporting Requirements for Futures Commission Merchants

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Extension of comment period.

**SUMMARY:** On December 28, 1994, the Commodity Futures Trading Commission (Commission) published in the **Federal Register** a request for public comment on proposed rules to amend the early warning reporting requirements for futures commission merchants (FCMs) set forth in Commission Rule 1.12. The original comment period expired on January 27, 1995. 59 FR 66822.

The proposed rules would require an FCM to report in accordance with Commission Rule 1.12 whenever: There is a reduction in adjusted net capital in excess of 20 percent of the amount reported in the last financial report filed with the Commission;<sup>1</sup> a margin call that exceeds the FCM's excess adjusted net capital remains unanswered by the close of business on the day following the issuance of the call; or the FCM's excess adjusted net capital is less than six percent of the maintenance margin required to support proprietary and noncustomer positions carried by the FCM.

The Securities Industry Association requested a thirty-day extension of the comment period in order that its Capital Committee may have sufficient opportunity to consider these proposals. In order to ensure that all interested parties have an adequate opportunity to

submit meaningful comments, the Commission has determined to extend the comment period for an additional thirty days.

**DATES:** Comments must be received on or before February 27, 1995.

**ADDRESSES:** Comments should be sent to Jean A. Webb, Secretary of the Commission, Commodity Futures Trading Commission, 2033 K Street NW., Washington, DC 20581.

**FOR FURTHER INFORMATION CONTACT:** Paul H. Bjarnason, Jr., Chief Accountant, or Lawrence B. Patent, Associate Chief Counsel, Division of Trading and Markets, Commodity Futures Trading Commission, 2033 K Street, NW. Washington, DC 20581; telephone (202) 254-8955.

Issued in Washington, DC on February 6, 1995, by the Commission.

**Jean A. Webb,**

*Secretary of the Commission.*

## SUSQUEHANNA RIVER BASIN COMMISSION

### 18 CFR Parts 803, 804 and 805

### Review and Approval of Projects; Special Regulations and Standards; Hearings/Enforcement Actions

**AGENCY:** Susquehanna River Basin Commission.

**ACTION:** Public hearing on rulemaking and addition to comprehensive plan.

**SUMMARY:** The Susquehanna River Basin Commission published in the **Federal Register** of June 8, 1994 (59 FR 29563) proposed rules on procedures for review of projects which also contained special review and approval requirements for consumptive uses of water, ground-water withdrawals and surface water withdrawals. Rules were also proposed setting special standards for water conservation and water use registration, and establishing hearing and enforcement procedures. A series of eight hearings were held during the summer of 1994 at various locations. This document announces: That the consumptive use portion of the proposed rulemaking action (§ 803.42) will be deferred pending further consultation with the regulated community; and that a final informal public hearing will be held on the non-consumptive use portion of the proposed rules.

**DATES:** The public hearing will be held on March 9, 1995, beginning at 9:00 a.m. Written comments on the non-

consumptive use portion of the proposed rules should be submitted by March 9, 1995.

**ADDRESSES:** The public hearing will be held at the Radisson Penn Harris Hotel and Convention Center, room Keystone E, 1150 Camp Hill By-Pass, Camp Hill, PA. Comments should be addressed to Richard A. Cairo, General Counsel/Secretary, Susquehanna River Basin Commission, 1721 N. Front Street, Harrisburg, PA 17102-2391.

**FOR FURTHER INFORMATION CONTACT:** Richard A. Cairo, General Counsel/Secretary, SRBC, 717-238-0423.

**SUPPLEMENTARY INFORMATION:** The Susquehanna River Basin Commission will hold a final public hearing on the non-consumptive use portion of a proposed rulemaking action in conjunction with its regular meeting on March 9, 1995 at the Radisson Penn Harris Hotel and Convention Center, Room Keystone E, 1150 Camp Hill By-Pass, Camp Hill, PA., beginning at 9:00 a.m. This hearing will also cover a proposal to incorporate the proposed rules into the SRBC Comprehensive Plan. The proposed rules were published in the **Federal Register** on June 8, 1994 at p. 29563. Eight public hearings were held during the summer of 1994 at various locations throughout the basin.

In response to the comments received at these hearings, a number of changes have been made in the proposed rules, the most notable of which is the withdrawal of proposed § 803.42 on the consumptive use of water. In place of the proposed § 803.42, the Commission will substantially retain its present consumptive use regulation found in the Code of Federal Regulations at 18 CFR § 803.61. The Commission will continue the suspension of the consumptive use regulation with respect to agricultural consumptive uses while it works with representatives of the agricultural community to develop an appropriate approach to the management of agricultural related water use. Public water suppliers will also be consulted on the issue of consumptive use within their distribution systems.

The scope of this final public hearing will be limited to the non-consumptive use portion of the proposed rulemaking action. This portion of the regulation contains such items as a new surface water regulation, water use registration, approval durations, and new procedures for processing project applications. Procedures for notifying the public of pending applications and for holding public hearings are also strengthened.

The hearing will be informal in nature. *Comments should be limited to*

<sup>1</sup> When the Commission recently adopted rules concerning risk assessment for holding company systems, 59 FR 66674 (Dec. 28, 1994), it added a provision to Rule 1.12 requiring FCMs subject to the risk assessment rules to provide notice of adjusted net capital reductions in excess of 20 percent. The proposal would extend that requirement to all FCMs.
