b. A summary of the project (PHSIS), not to exceed one page, which provides:

(1) A description of the population to be served.

(2) A summary of the services to be provided.

(3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements.

Application guidance materials will specify if a particular FY 1995 activity described above is not subject to the Public Health System Reporting Requirements.

6. PHS Non-use of Tobacco Policy Statement

The PHS strongly encourages all grant and cooperative agreement recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Specific application guidance materials may include more detailed guidance as to how the Center will implement SAMHSA's policy on promoting the non-use of tobacco.

7. Executive Order 12372

Applications submitted in response to most, if not all, of the FY 1995 activities listed above are subject to the intergovernmental review requirements of Executive Order (E.O.) 12372, as implemented through DHHS regulations at 45 CFR Part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Office of Extramural Activities Review, Substance Abuse and Mental Health Services Administration (SAMHSA), 5600 Fishers Lane, Room 13C–06, Rockville, Maryland 20857, ATTN: SPOC.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. The CMHS does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Application guidance materials will specify if a particular FY 1995 activity described above is not subject to the provisions of Executive Order 12372.
