Notice of Postponement of Final Determinations: Small Diameter Circular Seamless Carbon and Alloy Steel, Standard, Line and Pressure Pipe From Argentina, Brazil, Germany and Italy

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 16, 1995.

FOR FURTHER INFORMATION CONTACT: James Terpstra or Irene Darzenta, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone (202) 482-3965 or (202) 482-6320, respectively.

Postponement

On January 13, 1995, the respondents in the Brazilian and German investigations requested that, in the event of an affirmative preliminary determination in either investigation, the Department of Commerce (the Department) postpone the deadline for the final determination to a date no later than 135 days after the date of publication of the preliminary determination in the **Federal Register**. On January 18, 1995, the respondent in the Argentine investigation made a similar request. In each of these investigations, the respondent requested a postponement due to the complexity of the investigation. On January 30, 1995, the petitioner requested that the Department postpone its final determination in the Italian investigation until 135 days after the preliminary determination. Petitioner requested a postponement to allow the

Department time to conduct a sales below cost investigation.

On January 27, 1995, the Department published affirmative preliminary determinations in the antidumping duty investigations of small diameter circular seamless carbon and alloy steel, standard, line and pressure pipe (seamless pipe) from Argentina, (60 FR 5348), Brazil (60 FR 5351) and Germany (60 FR 5355) and a negative preliminary determination in the antidumping duty investigation of seamless pipe from Italy (60 FR 5358). On February 2, 1995, the Department initiated a sales below cost investigation in the Italian case.

The Department's regulations provide that upon the receipt of a proper request, the Department will postpone the final determination unless there are compelling reasons to deny the request (19 CFR 353.20(b)(1) (1994)). We find that the requests for postponement of these investigations meet the regulatory requirements and that there are no compelling reasons to deny these requests. Therefore, we are postponing the final determinations in the above-referenced investigations pursuant to section 735(a)(2)(A) of the Tariff Act of 1930, as amended (the Act). The final determinations will be issued not later than June 12, 1995. Unless otherwise indicated, all citations to the Statute and to the Department's regulations are in reference to the provisions as they existed on December 31, 1994.

In accordance with 19 CFR 353.38, case and rebuttal briefs must be submitted in at least ten copies to the Assistant Secretary for Import Administration according to the schedule detailed below. In addition, a public version and five copies should be submitted by the appropriate date if the submission contains business proprietary information. In accordance with 19 CFR 353.38(b), we will hold public hearings, if requested, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs. If requested, hearings are tentatively scheduled as detailed below. These hearings will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue N.W., Washington D.C., 20230. Parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time.
